

FERC Security Workshop

**June 12-13, 2007
Sheraton Denver West
360 Union Boulevard
Lakewood, CO 80228
303-987-2000**

The FERC will host a 2-day workshop to discuss dam security, dam safety, and emergency preparedness issues. The workshop will be held at the Sheraton Denver West from Tuesday, June 12 through Wednesday, June 13, 2007. The sessions end at 4:45 p.m. This conference is the continuation of a series of very successful workshops previously organized by FERC. The last meeting was held in Washington, DC in April 2006.

Representatives from utility companies, DHS, and other federal and state agencies have been invited to the workshop. Current DHS initiatives pertinent to dams in the U.S., arising from Homeland Security Presidential Directive No. 7 (HSPD-7) will be discussed at this workshop (refer to <http://www.whitehouse.gov/news/releases/2003/12/20031217-5.html> for details regarding HSPD-7).

Workshop Information Security:

To be eligible to attend the workshop, you must be currently employed in any of the following fields:

Dam Safety/Hydropower/Reservoir Recreation/Dam Operation
Security
Law Enforcement
Emergency Response
Federal, State, Local Regulation
