FISHERIES CHECKLIST: Check the circle corresponding to the fishery or fisheries in which you will participate during the next year. Registration for fisheries marked with an asterisk (*) has been integrated with existing state and Federal permitting and licensing programs. If you have a valid permit to participate in any of the fisheries marked with an asterisk (*), you are not required to submit an MMAP registration form and processing fee in order to receive a Marine Mammal Authorization Certificate. However, if you participate in any of the fisheries not marked with an asterisk (*), you must complete this form and mail it to NMFS, along with the \$25 processing fee. If you will not be participating in any of the fisheries identified on the checklist, you do not need to fill out this registration form.

CERTIFICATION: The vessel owner or operator must sign and date the registration form. If someone filled out the form other than the vessel owner or operator, enter the representative's full name and address.

MAILING INSTRUCTIONS: After completing the registration form, mail it, along with a check in the amount of \$25, payable to the *National Marine Fisheries Service*, to the nearest NMFS regional office address listed on page 7. A Marine Mammal Authorization Program certificate and decal will be sent to you in the mail. The decal must be displayed on the port side of the vessel's cabin or hull, and the certificate must be in the possession of the vessel operator while engaged in commercial fishing operations.
