

The United States Mint Has Big Plans for You!

Lesson

For
grades
K-12!

Give Your Lessons the Sparkle of New Coins!

Download **FREE** lesson plans from the United States Mint.

Created and reviewed by teachers to meet your curricular goals, these plans will help you inspire students to learn about the history in their pockets—along with math, social studies, science, language arts, music, art—and all through the fascinating yet familiar world of American coins.

Meet our cast of coin-loving characters at our kids' site, **The United States Mint H.I.P. Pocket Change™**. Visit the Teachers section to download lesson plans for grades K through 12 and enjoy "the greatest educational change America has ever seen"!
