To Whom It May Concern:

After receiving Memo: TFR Preparers, dated 1/30/03 concerning changes to the TFR has concerned me. I don't agree with shortening the deadline for submitting the TFR. For the fourth quarter of 2002 I couldn't begin working on the report until toward the end of the month. Due in part to our bank statements being extremely late, end of our fiscal year, and year end adjustments I feel that 20 days is NOT enough time to complete the report accurately.

Thank you,
