RE: OTS PREPARER RE: SHORTER DEADLINES

Urgent For Review Please Comment Please Reply Please Recycle

I Don't care how much technology exists, 30 days is just barely enough time to prepare the TFR reports each quarter, especially at end of year, when we don't even close our audited books until 1-16th each year. If anything, we'd like all of the Schedules given 45 days due.

→ Therefore, DO NOT SHORTEN TFR due date to 20 days!!!
If you have any questions, please call (219) 836-5870. Thank you.

Often times, the report preparer has other duties than just preparing the TFR and other OTS reports, therefore, MORE Time, IF ANYTHING, is required - NOT LESS TIME!!
