Re: TFR Revisions, OMB No 1550-0023

I would like to express my concern on one proposed change to the TFR for March 2004. The change to shorten the deadline dates of the TFR, CMR, and HC reports are guaranteed to cause a hardship on myself. The reason being I am this institutions Secretary/Treasurer-Controller regulating a great deal of the in house accounting functions and financial records, Human Resource Officer, Payroll Officer, TFR, CMR, HC, BOS report preparer and many other less official functions that have to be done. Because of these duties time becomes a very important issue.

It is my hope you would eliminate this propose change.

Sincerely,

John D. Plunk
