On July 31, 1996, I (Shalinda
 Jones), became a proud first time
 Homeowner. United Housing Program
 provided the program to low income
 and minority purchasers. This program
 has brought much joy for myself
 and my fifteen year old A/B Honor
 roll student (daughter). I have rented
 for 14 years. I have also been employed
 with Internal Revenue Service for
 twelve years. United Housing Program
 has enhanced my life being a
 single mother and all, I know
 that the program has worked.

For myself and many others I
would like to thank our wonderful
Director Mrs. Petra Kroupa who
had faith, and worked day &
night to provide assistance to
all of our New Home owners.

Sincerely,
Thalinda Fowler
