

I'm a single parent with three children. I've lived in apartments all my life. And one of my dreams was to own my own home. I have had that dream come true. I received a subsidy from the city of 1,181.00. The United Housing Program help me get in my house without a charge. I have given my time and energy by attending the UHP Meetings to see what I need to do to help keep up my neighborhood. I've donated around \$60.00 for food for parties and events and functions we have had.

It has meant the world to me to have my own home. I feel very blessed and I thank God.
