Dec 20, 2004

The Wisconsin Province of the Society of Jesus (The Jesuits) opposes the proposed rule change to the Community Reinvestment Act (No. 2004-53).

The proposal would allow large savings and loans to opt out of complying with investment and banking services examinations under the CRA. These exams have been very useful in encouraging investment in low income housing and services to low income people. The proposal would also allow thrifts in rural areas to serve any income population, while the CRA was established to direct resources to low and moderate income communities.

As a religious order with a particular concern for the poor, we strongly oppose the proposed changes.

Sincerely,

John Sealey
