Because of the volume of comments received on No. 2004-53, OTS is posting the comments received on this proposal in a different format to allow the agency to post comments more efficiently. Where identical comments have been received from more than one individual, the template letter will be posted with a link to an alphabetical list of those submitting that comment ("signatories"). Originals of all comments received may be reviewed at the agency under the procedures described in the notice of proposed rulemaking. This procedure affects only the posting to the website and does not affect how comments will be counted and considered -- each individual's comment will still be treated separately.

The list of signatories to this comment may be found [here](#).

Subject: 2004-53 Community Reinvestment Act

Thriffs should continue to be fully accountable under CRA for making investments and providing services. I oppose the OTS proposal to consider favorably rural community development activities that do not primarily benefit low-income people or communities."
