**Subject:** 2004-53 Community Reinvestment Act

**To Whom It May Concern -- As the Executive Director of a non-profit dedicated to repairing and rehabilitating homes of low income elderly and low income disabled homeowners, I am writing to state that all federally insured financial institutions should continue to be fully accountable under the Community Reinvestment Act for making investments and providing services. I also oppose the Office of Thrift Supervision proposal to favorably consider rural community development activities that do not primarily benefit low income people or communities.**

**Sincerely yours,**
