Army Corps of Engineers to temporarily close Friendship Park at Granger Lake

FORT WORTH, Texas – U.S. Army Corps of Engineers officials announced today that Friendship Park at Granger Lake will temporarily close within the next couple of weeks for road repairs. Although a contract has been awarded, the exact start date has not been scheduled. Due to safety concerns and the contractor moving in heavy equipment, the park will be closed until completion of the project which is expected to take 60 days. Boat ramps and group shelters at Wilson H. Fox, Taylor and Willis Creek Parks will remain open for use.

Please contact the Granger Project Office at 512-859-2668 with any questions.
