## **Corps of Engineers announces change in cost of event permits at its lakes in Texas**

*FORT WORTH, Texas* – The Fort Worth District, U.S. Army Corps of Engineers is now charging a minimum \$50 permit application fee plus all costs accrued by the Corps in providing special services in support of the event for all special events held on Corps owned lands in the Fort Worth District. A Special Event Permit is required for all events considered by the Corps to have significant impacts on project resources.

Events not considered to have significant impacts on project resources may be permitted free of charge by a Lake Activity Permit.

For more information, contact the lake nearest you.
