Airport Park Closure

FORT WORTH, TEXAS -- The U.S. Army Corps of Engineers at Waco Lake will be closing Airport Park campground for an indefinite period of time to complete renovation work. This closure will take effect March 1, 2005. This closure will not affect the Airport Park Beach Area, which is scheduled to reopen for the summer season on April 1, 2005. Campers, who normally use Airport Park, are encouraged to use either Midway or Reynolds Creek Parks. Boat ramp access to that portion of Waco Lake will only be available at Airport Beach (starting on April 1, 2005) and at Flatrock Access. All other boat ramps on Waco Lake are available for use.

For more information please contact the Waco Lake Office at (254) 756-5359.
