Form W-2, Wage and Tax Statement

Instructions for Forms W-2 and W-3

Form W-3, Transmittal of Wage and Tax Statements

Form 7018, Employer's Order Blank for Forms

To get forms and publications, see **Quick and Easy Access to IRS Help and Forms** on page 3. To order 2000 forms and publications by mail, see Form 7018 in this publication. An order blank for 2001 forms and information returns will be sent to you in **December 2000**, in either **Circular E**, Employer's Tax Guide (Pub. 15), or **Circular A**, Agricultural Employer's Tax Guide (Pub. 51).

When you complete and file wage and tax statements (Forms W-2 and W-3):

- Please show the correct social security numbers of employees on Forms W-2, and be sure all copies are legible. If any employees' names changed during the year, encourage the employees to contact their local Social Security Administration (SSA) office and request a new card. This action will allow the SSA to process the information correctly and properly credit employees' social security earnings. It will also help the employees to correctly report their wages on their income tax returns.

- Furnish Copies **B, C**, and **2** of Form W-2 to your employees, generally by **January 31, 2001**.

- By **February 28, 2001**, use Form W-3 to send Copy **A** of all Forms W-2 to the Social Security Administration, at the address noted in the instructions. **Although we have included two copies of Form W-3, please send only one copy with Forms W-2.**

Note: Your name, address, and employer identification number (EIN) are imprinted on Form W-3 instead of providing this information on a peel-off label. If any of the imprinted information is incorrect, make corrections on the form.

- Please prepare and file Forms W-2 either alphabetically by employees' last names or numerically by employees' social security numbers.

Information return questions. If you have questions about information returns (Forms 1096, 1098, 1099, 1042-S, 5498, W-2, W-2G, W-3, and W-4), call 304-263-8700.

Substitute forms. You may use substitute forms that meet IRS form specifications only. Get **Publication 1141**, General Rules and Specifications For Private Printing of Substitute Forms W-2 and W-3, by calling 1-800-TAX-FORM (1-800-829-3676) or download it from our web site at www.irs.gov.

Recordkeeping. Keep copies of Forms W-2 and W-3 and all other employment tax records for at least 4 years.

You May Need to Check Your With- holding

FORM W-4

Since you last filed Form W-4 with your employer did you...

- Marry or divorce?
- Gain or lose a dependent?
- Change your name?

Were there major changes to...

- Your nonwage income (interest, dividends, capital gains, etc.)?
- Your family wage income (you or your spouse started or ended a job)?
- Your itemized deductions?
- Your tax credits?

IF YOU ANSWERED "YES" . . .

To any of these questions or you owed extra tax when you filed your 1999 return, you may need to file a new Form W-4 for 2001. See your employer for a copy of the 2001 Form W-4 or call the IRS at 1-800-829-3676.

Now is the time to check your withholding. For more details, get **Publication 919, How Do I Adjust My Tax Withholding?**

Employer: Please post or publish this Bulletin Board Poster so that your employees will see it. Please indicate where they can get forms and information on this subject.

Cut here and give Form W-4 to your employer. Keep the top part for your records.

Notice to Employee

Refund. Even if you do not have to file a tax return, you should file to get a refund if box 2 shows Federal income tax withheld, or if you can take the earned income credit.

Earned income credit (EIC). You must file a tax return if any amount is shown in box 9.

You may be able to take the EIC for 2000 if **(1)** you do not have a qualifying child and you earned less than \$10,380, **(2)** you have one qualifying child and you earned less than \$27,413, or **(3)** you have more than one qualifying child and you earned less than \$31,152. You and any qualifying children must have valid social security numbers (SSNs). You cannot claim the EIC if your investment income is more than \$2,400. **Any EIC that is more than your tax liability is refunded to you, but only if you file a tax return.** If you have at least one qualifying child, you may get as much as \$1,412 of the EIC in advance by completing **Form W-5**, Earned Income Credit Advance Payment Certificate.

Clergy and religious workers. If you are not subject to social security and Medicare taxes, see **Pub. 517**, Social Security and Other Information for Members of the Clergy and Religious Workers.

Corrections. If your name, SSN, or address is incorrect, correct Copies B, C, and 2 and ask your employer to correct your employment record. Be sure to ask the employer to file **Form W-2c**, Corrected Wage and Tax Statement, with the Social Security Administration (SSA) to correct any name, SSN, or money amount error reported to the SSA on Form W-2. If your name and SSN are correct but are not the same as shown on your social security card, you should ask for a new card at any SSA office or call 1-800-772-1213.

Credit for excess taxes. If you had more than one employer in 2000 and more than \$4,724.40 in social security and/or Tier 1 railroad retirement (RRTA) taxes were withheld, you may be able to claim a credit for the excess against your Federal income tax. If you had more than one railroad employer and more than \$2,778.30 in Tier 2 RRTA tax was withheld, you also may be able to claim a credit. See your Form 1040 or 1040A instructions and **Pub. 505**, Tax Withholding and Estimated Tax.

Instructions (Also see *Notice to Employee on back of Copy B.*)

Box 1. Enter this amount on the wages line of your tax return.

Box 2. Enter this amount on the Federal income tax withheld line of your tax return.

Box 8. This amount is **not** included in boxes 1, 3, 5, or 7. For information on how to report tips on your tax return, see your Form 1040 instructions.

Box 9. Enter this amount on the advance earned income credit payments line of your Form 1040 or 1040A.

Box 10. This amount is the total dependent care benefits your employer paid to you or incurred on your behalf (including amounts from a section 125 (cafeteria) plan). Any amount over \$5,000 also is included in box 1. You must complete **Schedule 2 (Form 1040A)** or **Form 2441**, Child and Dependent Care Expenses, to compute any taxable and nontaxable amounts.

Box 11. This amount is (a) reported in box 1 if it is a distribution made to you from a nonqualified deferred compensation or section 457 plan or (b) included in box 3 and/or 5 if it is a prior year deferral under a nonqualified or section 457 plan that became taxable for social security and Medicare taxes this year because there is no longer a substantial risk of forfeiture of your right to the deferred amount.

Box 12. This amount is the taxable fringe benefits included in box 1. You may be able to deduct expenses that are related to fringe benefits; see the Form 1040 instructions.

Box 13. The following list explains the codes shown in box 13. You may need this information to complete your tax return.

Note: *If a year follows code D, E, F, G, H, or S, you made a make-up pension contribution for a prior year(s) when you were in military service. To figure whether you made excess deferrals, consider these amounts for the year shown, not the current year. If no year is shown, the contributions are for the current year.*

A—Uncollected social security or RRTA tax on tips (Include this tax on Form 1040. See “Total Tax” in the Form 1040 instructions.)

B—Uncollected Medicare tax on tips (Include this tax on Form 1040. See “Total Tax” in the Form 1040 instructions.)

S—Employee salary reduction contributions under a section 408(p) SIMPLE (not included in box 1)

T—Adoption benefits (not included in box 1). You must complete **Form 8839**, Qualified Adoption Expenses, to compute any taxable and nontaxable amounts.

Box 15. If the “Pension plan” box is checked, special limits may apply to the amount of traditional IRA contributions you may deduct. If the “Deferred compensation” box is checked, the elective deferrals in box 13 (codes D, E, F, G, H, and S) (for all employers, and for all such plans to which you belong) are generally limited to \$10,500. Also, every employer engaged in a trade or business who pays remuneration for services performed by an employee, including noncash payments, must furnish a Form W-2 to each employee even if the employee is related to the employer.

If you are required to file 250 or more Forms W-2, see **Magnetic media/electronic reporting** below.

Who must file Form W-3. Anyone required to file Form W-2 must file Form W-3 to transmit Copy A of Forms W-2. Make a copy of Form W-3 and keep it with Copy D (For Employer) of Forms W-2 for your records. Be sure to use Form W-3 for the correct year.

Household employers, even those with only one household employee, must file Form W-3 with Form W-2. On Form W-3 mark the "Hshld. emp." checkbox in box b.

A transmitter or sender (including a service bureau, paying agent, or disbursing agent) may sign Form W-3 for the employer or payer only if the sender:

1. Is authorized to sign by an agency agreement (either oral, written, or implied) that is valid under state law and
2. Writes "For (name of payer)" next to the signature.

If an authorized sender signs for the payer, the payer is still responsible for filing, when due, a correct and complete Form W-3 and related Forms W-2, and is subject to any penalties that result from not complying with these requirements. Be sure the payer's name and employer identification number (EIN) on Forms W-2 and W-3 are the same as those used on the **Form 941**, Employer's Quarterly Federal Tax Return, **943**, Employer's Annual Tax Return for Agricultural Employees, **CT-1**, Employer's Annual Railroad Retirement Tax Return, or **Schedule H (Form 1040)**, Household Employment Taxes, filed by or for the payer.

When to file. File Copy A of Form W-2 with the entire page of Form W-3 by **February 28, 2001**. You may owe a penalty for each Form W-2 you file late. See **Penalties** on page 6. If you terminate your business, see **Terminating a business** on page 5.

Extension to file. You may request an extension of time to file Form W-2 by sending **Form 8809**, Request for Extension of Time To File Information Returns, to the address shown on that form. You must request the extension before the due date of Forms W-2 for your request to be considered. If approved, you will have an additional 30 days to file. See Form 8809.

*Even if you receive an extension to file Form W-2, you must still furnish Form W-2 to your employees by January 31, 2001. But see **Extension to furnish Forms W-2 to employees** on page 3.*

Where to file. File the entire Copy A page of Form W-2 with the entire page of Form W-3 at the following address:

**Social Security Administration
Data Operations Center
Wilkes-Barre, PA 18769-0001**

If you use "Certified Mail" to file, change the ZIP code to "18769-0002." If you use an IRS approved private delivery service, add "ATTN: W-2 Process, 1150 E. Mountain Dr." to the address and change the ZIP code to "18702-7997." See Circular E for a list of IRS approved private delivery services.

Do not send cash, checks, money orders, etc. with the Forms W-2 and W-3 you submit to the SSA. Do not use the addresses above to file magnetic media. Employment tax forms (e.g., Form 941 or 943), remittances, and Forms 1099 must be sent to the IRS.

Send Copy 1 of Form W-2 to your state, city, or local tax department. For more information concerning Copy 1, contact your state, city, or local tax department.

Shipping and mailing. If you file more than one type of employment tax form, please group Forms W-2 of the same type, with a separate Form W-3 for each type, and send them in separate groups. See the specific instructions for box b of Form W-3 on page 10.

Please do not staple or tape Form W-3 to the related Forms W-2 or Forms W-2 to each other. These forms are machine read. Staple holes or tears interfere with machine reading. Also, **do not** fold Forms W-2 and W-3. Send the forms to the SSA in a flat mailing.

If you have a large number of Forms W-2 to send with one Form W-3, you may send them in separate packages. Show your name and EIN on each package. Number them in order (1 of 4, 2 of 4, etc.) and place Form W-3 in package 1. Show the number of packages at the bottom of Form W-3 below the title. If you mail them, you must send them First-Class.

Magnetic media/electronic reporting. If you are required to file 250 or more Forms W-2, you must file them on magnetic media (or electronically) unless the IRS granted you a waiver. You may be charged a penalty if you fail to file on magnetic media (or electronically) when required.

You are encouraged to file on magnetic media (or electronically) even if you are filing fewer than 250 Forms W-2.

You may request a waiver on **Form 8508**, Request for Waiver From Filing Information Returns on Magnetic Media. Submit Form 8508 to the IRS at least 45 days before the due date of Form W-2. See Form 8508 for filing information.

If you are **filing Forms W-2 on magnetic media**, you will need **Form 6559**, Transmitter Report and Summary of Magnetic Media, and you may also need **Form 6559-A**, Continuation Sheet for Form 6559. **Do not use Form W-3.**

If you file on magnetic media (or electronically), do not file the same returns on paper.

Magnetic media reporting specifications for Form W-2 are in the SSA's **Pub. No. 42-007 (TIB-4)**, Magnetic Media Reporting, and in **MMREF-1**, Magnetic Media Reporting and Electronic Filing. They can be downloaded from the SSA's Online Wage Reporting Service (OWRS) using a computer and modem by dialing 410-966-8450. You can also get magnetic media (or electronic) specifications by contacting any Employer Service

Liaison Officer (ESLO). Call 1-800-772-6270 for the phone number of the ESLO in your area.

Reporting instructions for magnetic media/electronic filing may differ from the paper reporting instructions. For example, magnetic media/electronic filers may enter more than three items in box 13 in one individual's wage report, but paper filers are limited to three entries in box 13 of each Form W-2.

Furnishing Copies B, C, and 2 to employees. Furnish Copies B, C, and 2 of Form W-2 to your employees, generally, by **January 31, 2001**. You will meet the "furnish" requirement if the form is properly addressed and mailed on or before the due date.

If employment ends before December 31, 2000, you may give copies at any time after employment ends, but no later than January 31, 2001. If an employee asks for Form W-2, give him or her the completed copies within 30 days of the request or within 30 days of the final wage payment, whichever is later. However, if you terminate your business, see **Terminating a business** on page 5.

You may give Forms W-2 to employees on IRS official forms or on acceptable substitute forms (see **Substitute forms** on page 1). **Be sure the Forms W-2 you provide to employees are clear and legible** and comply with the requirements in Pub. 1141.

Extension to furnish Forms W-2 to employees. You may request an extension of time to provide Forms W-2 to employees by sending a letter to:

IRS-Martinsburg Computing Center
Information Reporting Program
Attn: Extension of Time Coordinator
240 Murall Drive
Kearneysville, WV 25430

Mail your letter on or before the due date for furnishing Forms W-2 to employees. It must include:

1. Your name and address,
2. Your employer identification number,
3. Type of return,
4. A statement that you are requesting an extension to furnish Forms W-2 to employees,
5. Reason for delay, and
6. Your signature or that of your authorized agent.

Undeliverable Forms W-2. Keep for 4 years any employee copies of Forms W-2 that you tried to deliver but could not. **Do not** send undeliverable Forms W-2 to the SSA.

Taxpayer identification numbers. Employers use an employer identification number (EIN) (00-0000000). Employees use a social security number (SSN) (000-00-0000). When you list a number, please separate the nine digits properly to show the kind of number.

The IRS uses SSNs to check the payments you report against the amounts shown on the employees' tax returns. The SSA uses SSNs to record employees' earnings for future social security and Medicare benefits. **When you prepare Form W-2, be sure to show the correct SSN for each employee.** See section 4 of Circular E for information on verification of SSNs.

Special Reporting Situations for Form W-2

Adoption benefits. Amounts paid or expenses incurred by an employer for qualified adoption expenses under an adoption assistance program are not subject to income tax withholding and are not reportable in box 1. However, these amounts (including adoption benefits **paid** from a section 125 (cafeteria) plan, but not including adoption benefits forfeited from a cafeteria plan) are subject to social security, Medicare, and railroad retirement taxes and must be reported in boxes 3 and 5. Also, the total amount must be reported in box 13 with code **T**.

See Notice 97-9, 1997-1 C.B. 365, for more information on adoption benefits. Advise your employees to get **Pub. 968**, Tax Benefits for Adoption.

Agent reporting. Generally, an agent that has an approved **Form 2678**, Employer Appointment of Agent, should enter his or her name as the employer in box c of Form W-2, and file one

Form W-2. However, if the agent **(1)** is acting as an agent for two or more employers or is an employer and is acting as an agent for another employer and **(2)** pays social security wages in excess of the wage base to an individual, special reporting for payments to that individual is needed.

If **(1)** and **(2)** above apply, the agent must file separate Forms W-2 reflecting the wages paid by each employer. On each Form W-2, the agent should enter the following in box c of Form W-2:

(Name of agent)
Agent for (name of employer)
Address of agent.

Each Form W-2 should reflect the EIN of the agent in box b. In addition, **the employer's EIN should be shown in box h of Form W-3.** Get **Pub. 1271** (Rev. Proc. 70-6) for procedures to be followed in applying to be an agent.

TIP Generally, an agent is not responsible for refunding excess social security or railroad retirement (RRTA) tax on employees. If an employee worked for more than one employer during 2000 and had more than \$4,724.40 in social security and Tier 1 RRTA tax withheld (or more than \$2,778.30 in Tier 2 RRTA tax withheld), he or she should claim the excess on the appropriate line of Form 1040 or 1040A.

Clergy and religious workers. For certain members of the clergy and religious workers who are not subject to social security and Medicare taxes as employees, boxes 3 and 5 of Form W-2 should be left blank. You may include a minister's parsonage and/or utilities allowance in box 14. For information on the rules that apply to ministers and certain other religious workers, see **Pub. 517**, Social Security and Other Information for Members of the Clergy and Religious Workers, and section 4, Religious Exemptions, of Pub. 15-A.

Corrections. Use **Form W-2c**, Corrected Wage and Tax Statement, to correct errors (such as incorrect name, SSN, or amount) on a previously filed Form W-2. Send **Form W-3c**, Transmittal of Corrected Wage and Tax Statements, with Forms W-2c unless you are only correcting a name or SSN. However, see **Incorrect address on employee's Form W-2** below, for information on correcting an employee's address. Use Form W-3c to correct a previously filed Form W-3.

If you discover an error on Form W-2 after you issue it to your employee but before you send it to the SSA, mark the "**Void**" box at the top of the form on Copy A. Prepare a new Copy A with the correct information, and send it to the SSA. Write "**Corrected**" on the employee's new copies (B, C, and 2), and furnish them to the employee. (If the "**Void**" Form W-2 is on a page with a correct Form W-2, send the entire page to the SSA. The "**Void**" form will not be processed.)

If you are making an adjustment in 2000 to correct social security and Medicare taxes for a prior year, you must file **Form 941c**, Supporting Statement To Correct Information, with your Form 941 or Form 943, in the return period you find the error, and issue the employee a Form W-2c for the prior year. If you are correcting social security or Medicare wages or tips, also file the entire Copy A page of Form W-2c with Form W-3c with the SSA to correct the social security records.

Incorrect address on employee's Form W-2. If you filed a Form W-2 with the SSA showing an incorrect address for the employee but all other information on Form W-2 is correct, **do not** file Form W-2c with the SSA merely to correct the address.

However, if the address was incorrect on the Form W-2 furnished to the employee, **you must do one of the following:**

- Issue a new Form W-2 containing all correct information, including the new address. Indicate "**REISSUED STATEMENT**" on the new copies. **Do not** send Copy A to the SSA.
- Issue a Form W-2c to the employee showing the correct address in box b and all other correct information. **Do not** send Copy A to the SSA.
- Mail the Form W-2 with the incorrect address to the employee in an envelope showing the correct address or otherwise deliver it to the employee.

Deceased employee's wages. If an employee dies during the year, you must report the accrued wages, vacation pay, and other compensation paid after the date of death.

If you made the **payment in the same year the employee died**, you must withhold social security and Medicare taxes on the payment and report the payment on the employee's Form W-2 only as social security and Medicare wages to ensure proper social security and Medicare credit is received.

On the employee's Form W-2, show the payment as social security wages (box 3) and Medicare wages and tips (box 5) and the social security and Medicare taxes withheld in boxes 4 and 6. **Do not show the payment in box 1.**

If you made the **payment after the year of death**, do not report it on Form W-2, and do not withhold social security and Medicare taxes.

Whether the payment is made in the year of death or after the year of death, **you also must report it in box 3 of Form 1099-MISC**, Miscellaneous Income, for the payment to the estate or beneficiary. Use the name and taxpayer identification number (TIN) of the payment recipient on Form 1099-MISC.

Example. Before Employee A's death on June 15, 2000, A was employed by Employer X and received \$10,000 in wages on which Federal income tax of \$1,500 was withheld. When A died, X owed A \$2,000 in wages and \$1,000 in accrued vacation pay. The total of \$3,000 (less the social security and Medicare taxes withheld) was paid to A's estate on July 20, 2000. Because X made the payment during the year of death, X must withhold social security and Medicare taxes on the \$3,000 payment and must complete **Form W-2** as follows:

- **Box d** – Employee A's SSN
- **Box e** – Employee A's name
- **Box f** – Employee A's address
- **Box 1** – 10000.00 (does not include the \$3,000 accrued wages and vacation pay)
- **Box 2** – 1500.00
- **Box 3** – 13000.00 (includes the \$3,000 accrued wages and vacation pay)
- **Box 4** – 806.00 (6.2% of the amount in box 3)
- **Box 5** – 13000.00 (includes the \$3,000 accrued wages and vacation pay)
- **Box 6** – 188.50 (1.45% of the amount in box 5)
- **Box 15** – Mark the "Deceased" box

Employer X also must complete **Form 1099-MISC** as follows:

- **Boxes for:** Recipient's name, address, and TIN — The estate's name, address, and TIN
- **Box 3** – 3000.00 (Even though amounts were withheld for social security and Medicare taxes, the gross amount is reported here.)

If Employer X made the payment **after** the year of death, the \$3,000 would **not** be subject to social security and Medicare taxes and would **not** be shown on Form W-2. However, the employer would still file Form 1099-MISC.

Educational assistance programs. The \$5,250 exclusion for employer-provided educational assistance applies to courses starting before January 1, 2002. However, the exclusion does not apply to graduate courses. Generally, a course starts on the first regular day of class. See **Pub. 508**, Educational Expenses, and section 5 of Pub. 15-A for more information. Also see the instructions for box 1 on page 7.

Election workers. Report on Form W-2 payments of \$600 or more to election workers for services performed in state, county, and municipal elections. File Form W-2 for payments of less than \$600 paid to election workers if social security and Medicare taxes were withheld under a section 218 (Social Security Act) agreement. Do not report election worker payments on Form 1099-MISC.

Employee business expense reimbursements. Reimbursements to employees for business expenses must be reported as follows:

- Generally, payments made under an accountable plan are excluded from the employee's gross income and are not reported on Form W-2. However, if you pay a per diem or mileage allowance and the amount paid exceeds the amount treated as substantiated under IRS rules, you must report as wages on Form W-2 the amount in excess of the amount treated as substantiated. The excess amount is subject to income tax

withholding and social security and Medicare taxes. Report the amount treated as substantiated (i.e., the nontaxable portion) in box 13 using code **L**.

- Payments made under a nonaccountable plan are reported as wages on Form W-2 and are subject to income tax withholding and social security and Medicare taxes.

For more information on accountable plans, nonaccountable plans, amounts treated as substantiated under a per diem or mileage allowance, the standard mileage rate, the per diem substantiation method, and the high-low substantiation method, see **Pub. 463**, Travel, Entertainment, Gift, and Car Expenses; **Pub. 1542**, Per Diem Rates; and section 5 of Circular E.

Employee's taxes paid by employer. If you paid your employee's share of social security and Medicare taxes rather than deducting them from the employee's wages, you must include these payments as wages subject to income tax withholding and social security, Medicare, and Federal unemployment (FUTA) taxes. This increase in your employee's wages for your payment of the employee's social security and Medicare taxes is also subject to employee social security and Medicare taxes. This again increases the amount of the additional taxes you must pay. The amount to include as wages is determined by using the formula contained in the discussion of **Employee's Portion of Taxes Paid by Employer** in section 8 of Pub. 15-A.

 **This does not apply to household and agricultural employers.** If you pay a household or agricultural employee's social security and Medicare taxes, you must include these payments in the employee's wages. However, the wage increase due to the tax payments is not subject to social security, Medicare, or FUTA taxes as discussed above.

Fringe benefits. Include all taxable fringe benefits in box 1 of Form W-2 as wages, tips, and other compensation and, if applicable, in boxes 3 and 5 as social security and Medicare wages. Although not required, you may include the total value of fringe benefits in box 12, on a separate statement, or on a separate Form W-2. However, if you provided your employee a vehicle and included 100% of its annual lease value in the employee's income, you must separately report this value to the employee in box 12 or on a separate statement. The employee can then figure the value of any business use of the vehicle and report it on **Form 2106**, Employee Business Expenses. See **Fringe Benefits** in **Pub. 535**, Business Expenses.

 **If you used the commuting rule or the vehicle cents-per-mile rule to value the personal use of the vehicle, you cannot include 100% of the value of the use of the vehicle in the employee's income.** See **Pub. 535**.

Golden parachute payments. Include these payments in boxes 1, 3, and 5 of Form W-2. Withhold income, social security, and Medicare taxes as usual and report them in boxes 2, 4, and 6, respectively. Excess parachute payments are also subject to a 20% excise tax. If the excess payments are considered wages, withhold the 20% excise tax and include it in box 2 as income tax withheld. Also report it in box 13 with code **K**. For additional information, see sections 280G and 4999.

Government employers. Federal, state, and local agencies have two options for reporting their employees' wages that are subject only to Medicare tax for part of the year and full social security and Medicare taxes for part of the year. **Option one** (which the SSA prefers) is to file a single Form W-2 with the Medicare-only wages **and** the social security and Medicare wages combined. The Form W-3 must have the "941" box marked in box b.

Option two is to file two Forms W-2 and two Forms W-3. File one Form W-2 for wages subject to Medicare tax only. Be sure to check the "Medicare govt. emp." box in box b of Form W-3. File the second Form W-2 for wages subject to both social security and Medicare taxes with the "941" box checked in box b of Form W-3.

Group-term life insurance. If you paid for group-term life insurance over \$50,000 for an employee or a former employee, you must report the amount determined by using the table in section 5 of Pub. 15-A in boxes 1, 3, and 5 of Form W-2. Also,

show the amount in box 13 with code **C**. For employees, you must withhold social security and Medicare taxes, but not income tax. Former employees must pay the employee part of social security and Medicare taxes on premiums for group-term life insurance over \$50,000 on Form 1040. You are not required to collect those taxes. However, you must report the uncollected social security tax with code **M** and the uncollected Medicare tax with code **N** in box 13 of Form W-2.

Use the **new** monthly cost factors shown in the table in Pub. 15-A (Rev. January 2000).

Lost Form W-2—reissued statement. If an employee loses a Form W-2, write “REISSUED STATEMENT” on the new copy and furnish it to the employee. **Do not send Copy A of the reissued Form W-2 to the SSA.** Employers are not prohibited (by the Internal Revenue Code) from charging a fee for the issuance of a duplicate Form W-2.

Medical savings account (MSA). An employer's contribution to an employee's MSA is not subject to income tax withholding, or social security, Medicare, or railroad retirement taxes, if it is reasonable to believe at the time of the payment that the contribution will be excludable from the employee's income. However, if it is **not** reasonable to believe at the time of payment that the contribution will be excludable from the employee's income, employer contributions are subject to income tax withholding and social security and Medicare taxes (or railroad retirement taxes, if applicable) and must be reported in boxes 1, 3, and 5.

You must report all employer contributions to an MSA in box 13 of Form W-2 with Code **R**. Employer contributions to an MSA that are not excludable from the income of the employee also must be reported in box 1.

An employee's contributions to an MSA are includable in income as wages and are subject to income tax withholding and social security and Medicare taxes (or railroad retirement taxes, if applicable). Employee contributions are deductible, within limits, on the employee's Form 1040.

See Notice 96-53, 1996-2 C.B. 219 and **Pub. 969**, Medical Savings Accounts (MSAs), for more information.

Moving expenses. Report moving expenses as follows:

- Qualified moving expenses an employer pays **to a third party on behalf of the employee** (e.g., to a moving company) and services that an employer furnishes in kind to an employee are **not reported** on Form W-2.
- Qualified moving expense reimbursements paid **directly to an employee** by an employer are **reported** only in box 13 of Form W-2 with code **P**.
- **Nonqualified** moving expense reimbursements are reported in box 1 of Form W-2. These amounts are subject to income tax withholding and social security and Medicare taxes.

Railroad employers. Railroad employers must file Form W-2 to report their employees' wages and income tax withholding in boxes 1 and 2. Reporting on magnetic media may be required; see **Magnetic media/electronic reporting** on page 2.

If an employee is covered by social security and Medicare, also complete boxes 3, 4, 5, 6, and 7 of Form W-2 to show the social security and Medicare wages and the amounts withheld for social security and Medicare taxes. On the Form W-3 used to transmit these Forms W-2, mark the “941” box in box b.

For employees covered by RRTA tax, you also must report the Tier 1 and Tier 2 taxes withheld in box 14 of Form W-2. Label them “Tier 1 tax” and “Tier 2 tax.” Boxes 3, 4, 5, 6, and 7 apply only to covered social security and Medicare employees and are not to be used to report railroad retirement wages and taxes. On the Form W-3 used to transmit these Forms W-2, mark the “CT-1” box in box b.

Repayments. If an employee repays you for wages received in error, do not offset the repayments against current year's wages unless the repayments are for amounts received in error in the current year. Repayments made in the current year, but related to a prior year or years, require special tax treatment by employees, in some cases. You may advise the employee of the total repayments made during the current year and the amount

(if any) related to prior years. This information will help the employee account for such repayments on his or her Federal income tax return.

If the repayment was for a prior year, you must file Form W-2c with the SSA to correct only social security and Medicare wages and taxes. Do not correct wages in box 1 on Form W-2c for the amount paid in error. Report an adjustment on Form 941 (or Form 943) for the period during which the repayment was made to recover the social security and Medicare taxes. Instead of making an adjustment on Form 941 (or Form 943), you may file a claim for these taxes using **Form 843**, Claim for Refund and Request for Abatement. You may not make an adjustment for income tax withholding because the wages were paid in a prior year.

Please tell your employee that the wages paid in error in a prior year remain taxable to the employee for that year. This is because the employee received and had use of those funds during that year. The employee is not entitled to file an amended return (Form 1040X) to recover the income tax on these wages. Instead, the employee is entitled to a deduction (or a credit, in some cases) for the repaid wages on his or her Form 1040 for the year of repayment.

Scholarship and fellowship grants. Give a Form W-2 to each recipient of a scholarship or fellowship grant only if you are reporting amounts includable in income under section 117(c) (relating to payments for teaching, research, or other services required as a condition for receiving the qualified scholarship). (See Pub. 15-A and **Pub. 520**, Scholarships and Fellowships, for more information.) Such amounts are subject to income tax withholding. However, their taxability for social security and Medicare taxes depends on the nature of the employment and the status of the organization. See **Students** in section 15 of Circular E.

Sick pay. If you had employees who received sick pay in 2000 from an insurance company or other third-party payer and the third party notified you of the amount of sick pay involved, you may be required to report the information on the employees' Forms W-2. See **Sick Pay Reporting** in section 7 of Pub. 15-A for specific reporting instructions.

SIMPLE retirement account. An employee's salary reduction contributions to a SIMPLE (savings incentive match plan for employees) retirement account are not subject to income tax withholding but are subject to social security, Medicare, and railroad retirement taxes. Do not include an employee's contribution in box 1; but do include it in boxes 3 and 5. An employee's total contribution also must be included in box 13 with code **D** or **S**.

An employer's matching or nonelective contribution to an employee's SIMPLE is not subject to income tax withholding or social security, Medicare, or railroad retirement taxes and is not to be shown on Form W-2.

See Notice 98-4, 1998-1 C.B. 269, for more information on SIMPLE retirement accounts.

Successor/predecessor employers. If you buy or sell a business during the year, see Rev. Proc. 96-60, 1996-2 C.B. 399, for information on who must file Forms W-2 and employment tax returns.

Terminating a business. If you terminate your business, you must provide Forms W-2 to your employees for the calendar year of termination by the due date of your final Form 941. You must also file Forms W-2 with the SSA by the last day of the month that follows the due date of your final Form 941. However, if any of your employees are immediately employed by a successor employer, see Rev. Proc. 96-60. Also, see Rev. Proc. 96-57, 1996-2 C.B. 389, for information on automatic extensions for furnishing Forms W-2 to employees and filing Forms W-2 with the SSA.

USERRA makeup amounts to a pension plan. If an employee returned to your employment after military service and certain makeup amounts were contributed to a pension plan for a prior year(s) under the Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA), report the prior year contributions separately in box 13. See the **TIP** above

Code D on page 9. You also may report certain makeup amounts in box 14. See the box 14 instructions on page 10.

Instead of reporting in box 13, you may choose to provide a separate statement to your employee showing USERRA makeup contributions. The statement must identify the type of plan, the year(s) to which the contributions relate, and the amount contributed for each year.

Current year contributions to pension plans continue to be reported on Form W-2.

Penalties

The following penalties generally apply to the person required to file Form W-2. The penalties apply to paper filers as well as to magnetic media/electronic filers.

Use of a reporting agent or other third-party payroll service provider does not relieve an employer of the responsibility to ensure that Forms W-2 are furnished to employees and filed correctly and on time.

Failure to file correct information returns by the due date.

If you fail to file a correct Form W-2 by the due date and cannot show reasonable cause, you may be subject to a penalty. The penalty applies if you:

- Fail to file timely,
- Fail to include all information required to be shown on Form W-2,
- Include incorrect information on Form W-2,
- File on paper when you were required to file on magnetic media,
- Report an incorrect TIN,
- Fail to report a TIN, or
- Fail to file paper Forms W-2 that are machine readable.

The **amount** of the penalty is based on when you file the correct Form W-2. The penalty is:

- **\$15** per Form W-2 if you correctly file within 30 days (by March 30 if the due date is February 28); maximum penalty \$75,000 per year (\$25,000 for small businesses, defined later).
- **\$30** per Form W-2 if you correctly file more than 30 days after the due date but by August 1; maximum penalty \$150,000 per year (\$50,000 for small businesses).
- **\$50** per Form W-2 if you file after August 1 or you do not file required Forms W-2; maximum penalty \$250,000 per year (\$100,000 for small businesses).

*If you **do not** file corrections and you do not meet any of the exceptions to the penalty stated below, the penalty is \$50 per information return.*

Exceptions to the penalty. The following are exceptions to the failure to file penalty:

1. The penalty will not apply to any failure that you can show was due to **reasonable cause** and not to willful neglect. In general, you must be able to show that your failure was due to an event beyond your control or due to significant mitigating factors. You must also be able to show that you acted in a responsible manner and took steps to avoid the failure.

2. An **inconsequential error or omission** is not considered a failure to include correct information. An inconsequential error or omission does not prevent or hinder the SSA/IRS from processing the Form W-2, from correlating the information required to be shown on the form with the information shown on the payee's tax return, or from otherwise putting the form to its intended use. Errors and omissions that are never inconsequential are those relating to:

- a. A TIN,
- b. A payee's surname, and
- c. Any money amounts.

3. **De minimis rule for corrections.** Even though you cannot show reasonable cause, the penalty for failure to file correct Forms W-2 will not apply to a certain number of returns if you:

- a. Filed those Forms W-2,

b. Either failed to include all the information required on the form or included incorrect information, and

c. Filed corrections of these forms by August 1.

If you meet all the conditions in **a**, **b**, and **c**, the penalty for filing incorrect Forms W-2 (but not for filing late) will not apply to the greater of 10 Forms W-2 or 1/2 of 1% of the total number of Forms W-2 you are required to file for the calendar year.

Lower maximum penalties for small businesses. For purposes of the lower maximum penalties shown in parentheses above, you are a small business if your average annual gross receipts for the 3 most recent tax years (or for the period you were in existence, if shorter) ending before the calendar year in which the Forms W-2 were due are \$5 million or less.

Intentional disregard of filing requirements. If any failure to file a correct Form W-2 is due to intentional disregard of the filing or correct information requirements, the penalty is at least \$100 per Form W-2 with no maximum penalty.

Failure to furnish correct payee statements. If you fail to provide correct payee statements (Forms W-2) to your employees and you cannot show reasonable cause, you may be subject to a penalty. The penalty applies if you fail to provide the statement by January 31, you fail to include all information required to be shown on the statement, or you include incorrect information on the statement.

The penalty is \$50 per statement, no matter when the correct statement is furnished, with a maximum of \$100,000 per year. The penalty is not reduced for furnishing a correct statement by August 1.

Exception. An inconsequential error or omission is not considered a failure to include correct information. An inconsequential error or omission cannot reasonably be expected to prevent or hinder the payee from timely receiving correct information and reporting it on his or her income tax return or from otherwise putting the statement to its intended use. Errors and omissions that are never inconsequential are those relating to:

1. A dollar amount,
2. A significant item in a payee's address, and
3. The appropriate form for the information provided (i.e., whether the form is an acceptable substitute for the official IRS form).

Intentional disregard of payee statement requirements. If any failure to provide a correct payee statement (Form W-2) to an employee is due to intentional disregard of the requirements to furnish a correct payee statement, the penalty is at least \$100 per Form W-2 with no maximum penalty.

Civil damages for fraudulent filing of Forms W-2. If you willfully file a fraudulent Form W-2 for payments you claim you made to another person, that person may be able to sue you for damages. You may have to pay \$5,000 or more.

Specific Instructions for Form W-2

How to complete Form W-2. Form W-2 is a six-part form. Please ensure that **all copies are legible**. Send Copy A to the SSA; Copy 1 to the state, city, or local tax department; and Copies B, C, and 2 to the employee. Keep Copy D with a copy of Form W-3 for your records.

Type the entries on Form W-2 using dark black ink in sizes from 10 to 12 points. Because Copy A is read by machine, handwritten entries or the use of inks other than black to make entries on the form hinder processing by the SSA. Do not use script type, inverted font, italics, or dual case alpha characters. It is important that entries in the boxes do not cross one or more of the vertical or horizontal lines that separate the boxes. Please do not erase, whiteout, or strike over an entry. **Make all dollar entries without the dollar sign and comma but with the decimal point (0000.00). Show the cents portion of the money amounts.** If a box does not apply, leave it blank.

Send the whole Copy A page of Form W-2 with Form W-3 to the SSA even if one of the Forms W-2 is blank or void. Do not staple Forms W-2 together or to Form W-3. Also, if possible,

please file Forms W-2 either alphabetically by employees' last names or numerically by employees' SSNs. This will help the SSA locate specific forms.

Calendar year basis. The entries on Form W-2 must be based on wages paid during the calendar year. Use Form W-2 for the correct tax year. For example, if the employee worked from December 21, 2000, through January 3, 2001, and the wages for that period were paid on January 5, 2001, include those wages on the 2001 Form W-2.

Multiple forms. If necessary, you can issue more than one Form W-2 to an employee. For example, you may need to report more than three coded items in box 13 or you may want to report other compensation on a second form. If you issue a second Form W-2, complete boxes b, c, d, e, and f with the same information as on the first Form W-2. Show any items that were not included on the first Form W-2 in the appropriate boxes. Also, see the **TIP** under **Box 13—Codes** on page 8.

Do not report the same Federal tax data to the SSA on more than one Copy A.

Box a—Control number. You may use this box to identify individual Forms W-2. Make certain that entries **do not** cross over into the form identification box (22222). You do not have to use this box.

Void. Check this box when an error is made on Form W-2 and you are voiding it because you are going to complete a new Form W-2. Be careful **not to include** any amounts shown on "Void" forms in the totals you enter on Form W-3. See **Corrections** on page 3.

Box b—Employer identification number. Show the EIN assigned to you by the IRS (00-0000000). This should be the same number that you used on your Federal employment tax returns (Form 941, 943, or CT-1). Do not use a prior owner's EIN. If you do not have an EIN when filing Forms W-2, enter "Applied For" in box b, not your SSN. You can get an EIN by filing **Form SS-4**, Application for Employer Identification Number. Also see **Agent reporting** on page 3.

Box c—Employer's name, address, and ZIP code. This entry should be the same as shown on your Form 941, 943, or CT-1. Also see **Agent reporting** on page 3.

Box d—Employee's social security number. Enter the number shown on the employee's social security card. If the employee does not have a card, he or she should apply for one by completing **Form SS-5**, Application for a Social Security Card. If the employee has applied for a card but the number is not received in time for filing, enter "Applied For" in box d.

Ask the employee to inform you of the number and the exact way his/her name is printed on the card when it is received. Then correct your previous report by filing Form W-2c showing the employee's SSN. Also show the employee's name as shown on the card. If the employee needs to change his or her name from that shown on the card, the employee should call the SSA at 1-800-772-1213.

Boxes e and f—Employee's name and address. Enter the name as shown on the employee's social security card (first, middle initial, last). If the name does not fit, you may show first name initial, middle initial, and last name. If the name has changed, the employee must get a corrected card from any SSA office. Use the name on the original card until you see the corrected one. **Do not show titles or academic degrees, such as "Dr.," "RN," or "Esq.," at the beginning or end of the employee's name.**

Include in the address the number, street, apartment or suite number, or P.O. box number if mail is not delivered to a street address. For a foreign address, give the information in the following order: city, province or state, and country. Follow the country's practice for entering the postal code. Do not abbreviate the country name.

Third-party payers of sick pay filing third-party sick pay recap Forms W-2 and W-3 must enter "Third-Party Sick Pay Recap" in place of the employee's name in box e. See **Sick Pay Reporting** in section 7 of Pub. 15-A.

Box 1—Wages, tips, other compensation. Show the total wages, tips, and other compensation, before any payroll deductions, you paid your employee during the year. Do not include elective deferrals, except section 501(c)(18) contributions. Include the following:

1. Total wages, prizes, and awards paid to employees during the year. See **Calendar year basis** on this page.

2. Total noncash payments, including certain fringe benefits. See **Fringe benefits** on page 4.

3. Total **tips** reported by the employee to the employer (not allocated tips).

4. Certain employee business expense reimbursements (see **Employee business expense reimbursements** on page 4).

5. The cost of **accident and health insurance** premiums for 2% or more shareholder-employees paid by an S corporation.

6. Taxable benefits from a **section 125 (cafeteria) plan** (i.e., employee chooses cash).

7. Employee contributions to an **MSA**.

8. Employer contributions to an **MSA** if includible in the income of the employee. See **Medical savings account (MSA)** on page 5.

9. Employer contributions for **qualified long-term care services** to the extent that such coverage is provided through a flexible spending or similar arrangement.

10. Group-term life insurance in excess of \$50,000. See **Group-term life insurance** on page 4.

11. Unless excludable under an **educational assistance program** (see page 4), payments for non-job-related education expenses or for payments under a nonaccountable plan. See Pub. 508.

12. The amount includible as wages because you paid your employee's share of taxes. See **Employee's taxes paid by employer** on page 4.

13. All other compensation, including certain scholarship and fellowship grants (see page 5). Other compensation is amounts you pay your employee from which Federal income tax is not withheld. You may show other compensation on a separate Form W-2. See **Multiple forms** on this page.

14. **Distributions** to an employee or former employee from a nonqualified deferred compensation plan (including a rabbi trust) or a section 457 plan.

15. Payments to statutory employees that are subject to social security and Medicare taxes but not subject to Federal income tax withholding must be shown in box 1 as other compensation. See **Box 15, Statutory employee**, on page 10.

Box 2—Federal income tax withheld. Show the total Federal income tax withheld from the employee's wages for the year (do not reduce by any advance EIC payments made to the employee). Also include the 20% excise tax withheld on excess parachute payments. See **Golden parachute payments** on page 4.

Box 3—Social security wages. Show the total wages paid (before payroll deductions) subject to employee social security tax but **not including social security tips and allocated tips**. (See **Box 7** and **Box 8** on page 8.) Generally, noncash payments are considered wages. Include employee business expense reimbursements reported in box 1. If you paid the employee's share of social security and Medicare taxes rather than deducting them from wages, see **Employee's taxes paid by employer** on page 4. The total of boxes 3 and 7 cannot be more than \$76,200 (2000 maximum social security wage base).

Also, include elective deferrals to certain qualified cash or **deferred compensation** arrangements and to retirement arrangements described in box 13, in codes **D, E, F, G,** and **S**, even though the deferrals are not includible in box 1. Amounts deferred under a **nonqualified or section 457 plan** must be included in boxes 3 and/or 5 as social security and/or Medicare wages as of the later of when the services giving rise to the deferral are performed or when there is no substantial forfeiture risk of the rights to the deferred amount. Include elective and nonelective deferrals for purposes of section 457 plans.

Also include in box 3:

- Cost of group-term life insurance over \$50,000 included in

box 1. See **Group-term life insurance** on page 4.

- Cost of accident and health insurance premiums for 2% or more shareholder-employees paid by an S corporation, but only if not excludable under section 3121(a)(2)(B).
- Employee and nonexcludable employer contributions to an MSA. See **Medical savings account (MSA)** on page 5.
- Employee contributions to a SIMPLE retirement account. See **SIMPLE retirement account** on page 5.
- Adoption benefits. See **Adoption benefits** on page 3.

Box 4—Social security tax withheld. Show the total employee social security tax (not your share) withheld, including social security tax on tips. Do not reduce this amount by any advance EIC payments made to the employee. For 2000, the amount should not exceed \$4,724.40 ($\$76,200 \times 6.2\%$). Include only taxes withheld (or paid by you for the employee) for 2000 wages and tips. If you paid your employee's share, see **Employee's taxes paid by employer** on page 4.

Box 5—Medicare wages and tips. The wages and tips subject to Medicare tax are the same as those subject to social security tax (boxes 3 and 7), except that there is no wage base limit for Medicare tax. Enter the total Medicare wages and tips in box 5. Be sure to enter tips the employee reported even if you did not have enough employee funds to collect the Medicare tax for those tips. See **Box 3** on page 7 for payments to report in this box. If you paid your employee's share of taxes, see **Employee's taxes paid by employer** on page 4.

If you are a Federal, state, or local agency with employees paying only the 1.45% Medicare tax, enter the Medicare wages in this box. See **Government employers** on page 4.

Example of how to report social security and Medicare wages. You paid your employee \$140,000 in wages. Enter in box 3 (social security wages) 76200.00, but enter in box 5 (Medicare wages and tips) 140000.00. There is no limit on the amount reported in box 5. If the amount of wages paid was \$76,200 or less, the amounts entered in boxes 3 and 5 would be the same.

Box 6—Medicare tax withheld. Enter the total employee Medicare tax (not your share) withheld. Include only tax withheld for 2000 wages and tips. Do not reduce this amount by any advance EIC payments made to the employee. If you paid your employee's share of the taxes, see **Employee's taxes paid by employer** on page 4.

Box 7—Social security tips. Show the tips the employee reported to you even if you did not have enough employee funds to collect the social security tax for the tips. The total of boxes 3 and 7 should not be more than \$76,200.00 (the maximum social security wage base for 2000). Report all tips in box 1 along with wages and other compensation.

Box 8—Allocated tips. If you are a large food or beverage establishment, show the tips allocated to the employee. (See the **Instructions for Form 8027**, Employer's Annual Information Return of Tip Income and Allocated Tips.) **Do not** include this amount in boxes 1, 3, 5, or 7.

Box 9—Advance EIC payment. Show the total paid to the employee as advance earned income credit (EIC) payments.

Box 10—Dependent care benefits. Show the total dependent care benefits under a dependent care assistance program (**section 129**) paid or incurred by you for your employee. Include the fair market value (FMV) of employer-provided or employer-sponsored day-care facilities and amounts paid or incurred in a **section 125** (cafeteria) plan. Report all amounts paid or incurred including those in excess of the \$5,000 exclusion. This may include (a) the FMV of benefits provided in kind by the employer; (b) an amount paid directly to a day-care facility by the employer or reimbursed to the employee to subsidize the benefit; or (c) benefits from the pre-tax contributions made by the employee to a section 125 dependent care flexible spending account. Include any amounts over \$5,000 in boxes 1, 3, and 5. For more information, see Pubs. 15-A and 535.

Box 11—Nonqualified plans. Show **distributions** to an employee from a nonqualified plan or a section 457 plan. Also report distributions in box 1. If you did not make distributions this

year, show **deferrals** (plus earnings) under a nonqualified or section 457 plan that became **taxable for social security and Medicare taxes during the year** (but were for prior year services) because the deferred amounts were no longer subject to a substantial risk of forfeiture. **Do not** report in box 11 deferrals that are included in boxes 3 and/or 5 and that are for current year services.

*If you made distributions and are also reporting deferrals in box 3 and/or 5, do not complete box 11. See **Pub. 957**, **Reporting Back Pay and Special Wage Payments to the Social Security Administration**, and **Form SSA-131**, **Employer Report of Special Wage Payments**, for instructions on reporting these and other kinds of compensation earned in prior years. However, **do not** file Form SSA-131 if contributions and distributions occur in the same year and the employee will **not** be age 62 or older by the end of that year.*

The purpose of box 11 is for the SSA to determine if any part of the amount reported in box 1 or boxes 3 and/or 5 was earned in a prior year. The SSA uses this information to verify that they have properly applied the social security earnings test and paid the correct amount of benefits.

Unlike qualified plans, nonqualified deferred compensation plans do not meet the qualification requirements for tax-favored status. Nonqualified plans include those arrangements traditionally viewed as deferring the receipt of current compensation. Accordingly, welfare benefit plans, stock option plans, and plans providing dismissal pay, termination pay, or early retirement pay are **not** nonqualified plans.

State and local agencies must separately identify **section 457 distributions** in this box by entering code **G** followed by a space, and then the dollar amount. However, if you are reporting a distribution from both a nonqualified plan and a section 457 plan, report it as a single amount in this box; do not enter code **G**.

Report distributions from nonqualified or section 457 plans to **beneficiaries** of deceased employees on **Form 1099-R**, Distributions From Pensions, Annuities, Retirement or Profit-Sharing Plans, IRAs, Insurance Contracts, etc., not on Form W-2.

Military employers must report military retirement payments on Form 1099-R.

Box 12—Benefits included in box 1. Use of this box is optional. You may use it to report taxable **fringe benefits** that are included in box 1. However, the lease value of a vehicle provided to your employee and reported in box 1 **must** be reported here or in a separate statement to your employee.

Box 13—Codes. Complete and code this box for all items described below. Do not report in box 13 any items that are not listed as codes **A–T**. Do not report in box 13 section 414(h)(2) contributions (relating to certain state or local government plans). Instead, use box 14 for these items and any other information you wish to give your employee. For example, union dues and uniform payments may be reported in box 14.

On Copy A (Form W-2), do not enter more than three items in box 13. If more than three items need to be reported in box 13, use a separate Form W-2 to report the additional items (but enter no more than three items on each Copy A (Form W-2)). On all other copies of Form W-2 (Copies B, C, etc.), you may enter more than three items in box 13. See **Multiple forms** on page 7.

Use the IRS code designated below for the item you are entering followed by the dollar amount for that item. Even if only one item is entered, you must use the IRS code designated for that item. Enter the code using a capital letter. Leave at least one space blank after the code, and enter the dollar amount on the same line. Use decimal points but not dollar signs or commas. For example, if you are reporting \$5,300.00 in elective deferrals to a section 401(k) plan, the entry would be **D 5300.00** (not A 5300.00 even though it is the first or only entry in this box).

See the **Reference Guide for Box 13 Codes** on page 12. See the detailed instructions below for each code.

Code A—Uncollected social security or RRTA tax on tips. Show the employee social security or Railroad Retirement Tax Act (RRTA) tax on all the employee's tips that you could **not** collect because the employee did not have enough funds from which to deduct it. Do not include this amount in box 4.

Code B—Uncollected Medicare tax on tips. Show the employee Medicare tax or RRTA Medicare tax on tips that you could **not** collect because the employee did not have enough funds from which to deduct it. Do not include this amount in box 6.

Code C—Cost of group-term life insurance over \$50,000. Show the taxable cost of group-term life insurance coverage over \$50,000 provided to your employee (including a former employee). See **Group-term life insurance** on page 4. Also include it in boxes 1, 3 (up to the social security wage base), and 5.

Codes D through H and S. Use these codes to show deferrals made to the plans listed. Do not report amounts for other types of plans. See below for an example of reporting elective deferrals to a section 401(k) plan.

The amount reported as elective deferrals is only the part of the employee's salary (or other compensation) that he or she did not receive because of the deferrals. Only elective deferrals should be reported in box 13 for all coded plans, except, when using code **G** for section 457(b) plans, include both elective and nonelective deferrals.

The following are **not** elective deferrals and may be reported in box 14 but not in box 13:

- Nonelective employer contributions made on behalf of an employee.
- After-tax contributions, such as voluntary contributions to a pension plan that are deducted from an employee's pay.
- Required employee contributions.
- Employer matching contributions.

 **TIP** *If any elective deferrals, salary reduction amounts, or nonelective contributions to a section 457(b) plan during the year are makeup amounts under the **Uniformed Services Employment and Reemployment Rights Act of 1994 (USERRA)** for a prior year, you must enter the prior year contributions separately. You must enter the code, the year, and the amount. For example, elective deferrals under USERRA to a section 401(k) plan are reported in box 13 as follows: D 1998 2250.00, D 1999 1250.00. The 2000 contribution does not require a year designation; enter it as D 7000.00.*

Code D—Elective deferrals to a section 401(k) cash or deferred arrangement. Also show deferrals under a SIMPLE retirement account that is part of a section 401(k) arrangement.

Code E—Elective deferrals under a section 403(b) salary reduction agreement.

Code F—Elective deferrals under a section 408(k)(6) salary reduction SEP.

Code G—Elective and nonelective deferrals to a section 457(b) deferred compensation plan for employees of state and local governments or tax-exempt organizations. Do not report section 457(f) amounts or amounts deferred under section 457(b) that are subject to a substantial risk of forfeiture.

 **CAUTION** *The section 457 dollar limit should be reduced by deferrals to certain other deferred compensation plans. See section 457(c)(2).*

Code H—Elective deferrals to a section 501(c)(18)(D) tax-exempt organization plan. Be sure to include this amount in box 1 as wages. The employee will deduct the amount on his or her Form 1040.

Example of reporting elective deferrals to a section 401(k) plan. For 2000, Employee A elected to defer \$11,300 to a section 401(k) plan and made a voluntary after-tax contribution of \$600. In addition, the employer, on A's behalf, made a qualified nonelective contribution of \$1,000 to the plan and a nonelective profit-sharing employer contribution of \$2,000.

The total elective deferral of \$11,300 is reported in box 13 with code **D** (D 11300.00). Even though the 2000 limit for elective deferrals is \$10,500.00, the employer must report the total

amount of \$11,300.00 in box 13. The excess is not reported in box 1.

The \$600 voluntary after-tax contribution may be reported in box 14 (this is optional) but not in box 13. The \$1,000 nonelective contribution and the \$2,000 nonelective profit-sharing employer contribution are not required to be reported on Form W-2, but may be reported in box 14.

Check "Deferred compensation" in box 15.

Code J—Nontaxable sick pay. Show any sick pay **not** includible in income (and **not** shown in boxes 1, 3, and 5) because the employee contributed to the sick pay plan.

Code K—20% excise tax on excess golden parachute payments. If you made excess "golden parachute" payments to certain key corporate employees, report the 20% excise tax withheld on these payments. If the excess payments are considered wages, also report the 20% excise tax as income tax withheld in box 2.

Code L—Substantiated employee business expense reimbursements. Report only the amount treated as substantiated, i.e., the nontaxable part. Use this code only if you reimbursed your employee for employee business expenses using a per diem or mileage allowance and the amount you reimbursed exceeds the amount treated as substantiated under IRS rules. (See **Employee business expense reimbursements** on page 4.) In box 1, include the part of the reimbursement that is more than the amount treated as substantiated.

Do not include any per diem or mileage allowance reimbursements for employee business expenses in box 13 if the total reimbursement is equal to or less than the amount treated as substantiated.

Code M—Uncollected social security or RRTA tax on cost of group-term life insurance over \$50,000 (for former employees). If you provided your former employees (including retirees) more than \$50,000 of group-term life insurance coverage for periods during which an employment relationship no longer exists, enter the amount of uncollected social security or RRTA tax on the coverage in box 13. Also see **Group-term life insurance** on page 4.

Code N—Uncollected Medicare tax on cost of group-term life insurance over \$50,000 (for former employees). If you provided your former employees (including retirees) more than \$50,000 of group-term life insurance coverage for periods during which an employment relationship no longer exists, enter the amount of uncollected Medicare tax or RRTA Medicare tax on the coverage in box 13. Also see **Group-term life insurance** on page 4.

Code P—Excludable moving expense reimbursements paid directly to employee. Show the total moving expense reimbursements you paid directly to your employee for qualified (deductible) moving expenses. See **Moving expenses** on page 5.

Code Q—Military employee basic housing, subsistence, and combat zone compensation. If you are a military employer and provide your employee with basic housing, subsistence allowances, or combat zone compensation, report it in box 13.

Code R—Employer contributions to a medical savings account (MSA). Show any employer contributions to an MSA. See **Medical savings account (MSA)** on page 5.

Code S—Employee salary reduction contributions under a section 408(p) SIMPLE. Show deferrals under a section 408(p) salary reduction SIMPLE retirement account. However, if the SIMPLE is part of a section 401(k) arrangement, use code **D**. If you are reporting prior year contributions under USERRA, see the **TIP** above **Code D** on this page.

Code T—Adoption benefits. Show the total you paid or reimbursed for qualified adoption expenses furnished to your employee under an adoption assistance program. Also include adoption benefits paid or reimbursed from the pre-tax contributions made by the employee to a section 125 (cafeteria) plan. However, do not include adoption benefits forfeited from a section 125 (cafeteria) plan. Report all amounts including those in excess of the \$5,000 or \$6,000 exclusion.

Box 14—Other. You may use this box for any other information you want to give your employee. Please label each item. Examples are union dues, uniform payments, health insurance premiums deducted, nontaxable income, educational assistance payments, or a member of the clergy's parsonage allowance and utilities. In addition, you may enter the following contributions to a pension plan: (a) nonelective employer contributions made on behalf of an employee, (b) voluntary after-tax contributions that are deducted from an employee's pay, (c) required employee contributions, and (d) employer matching contributions.

If you are reporting prior year contributions under USERRA (see the **TIP** above **Code D** on page 9 and **USERRA makeup amounts to a pension plan** on page 5), you may report in box 14 makeup amounts for nonelective employer contributions, voluntary after-tax contributions, required employee contributions, and employer matching contributions. Report such amounts separately for each year.

Railroad employers should see **Railroad employers** on page 5.

Box 15—Checkboxes. Check the boxes that apply.

• **Statutory employee.** Check this box for statutory employees whose earnings are subject to social security and Medicare taxes but **not** subject to Federal income tax withholding. Do not check this box for common-law employees. There are workers who are independent contractors under the common-law rules but are treated by statute as employees. They are called statutory employees.

1. A driver who distributes beverages (other than milk), or meat, vegetable, fruit, or bakery products; or who picks up and delivers laundry or dry cleaning, if the driver is your agent or is paid on commission.

2. A full-time life insurance sales agent whose principal business activity is selling life insurance or annuity contracts, or both, primarily for one life insurance company.

3. An individual who works at home on materials or goods that you supply and that must be returned to you or to a person you name, if you also furnish specifications for the work to be done.

4. A full-time traveling or city salesperson who works on your behalf and turns in orders to you from wholesalers, retailers, contractors, or operators of hotels, restaurants, or other similar establishments. The goods sold must be merchandise for resale or supplies for use in the buyer's business operation. The work performed for you must be the salesperson's principal business activity.

See Pub. 15-A for details on statutory employees and common-law employees.

• **Deceased.** Check this box if the employee died during the year. See **Deceased employee's wages** on page 3.

• **Pension plan.** Check this box if the employee was an active participant (for any part of the year) in any of the following:

1. A qualified plan described in section 401(a) (including a 401(k) plan).

2. An annuity plan described in section 403(a).

3. An annuity contract or custodial account described in section 403(b).

4. A simplified employee pension (SEP) plan described in section 408(k).

5. A SIMPLE retirement account described in section 408(p).

6. A trust described in section 501(c)(18).

7. A plan for Federal, state, or local government employees or by an agency or instrumentality thereof (other than a section 457 plan).

For information on the active participant rules, see Notice 87-16, 1987-1 C.B. 446 (which has not been updated for new law), section 219(g)(5), and **Pub. 590**, Individual Retirement Arrangements (IRAs).

Also check the deferred compensation box. See **Deferred compensation** below.

Do not check this box for contributions made to a nonqualified or section 457 plan.

• **Legal representative.** Check this box when the employee's name is the only name shown but is shown as a trust account

(e.g., Jane Doe Trust), or another name is shown in addition to the employee's name and the other person or business is acting on behalf of the employee.

Representatives are identified by words such as "custodian," "parent," or "attorney"; sometimes the employee is identified as a minor, child, etc. **Do not** check this box merely because the address is in care of someone other than the employee (e.g., Jane Doe, c/o Shelby Smith).

• **Deferred compensation.** Check this box if the employee has made an elective deferral to a section 401(k), 403(b), 408(k)(6), 408(p), or 501(c)(18)(D) retirement plan. Also check this box if an elective or nonelective deferral was made to a section 457(b) plan. Also see **Codes D through H and S** on page 9.

Do not check this box for nonqualified deferred compensation plans.

Boxes 16 through 21—State and local income tax information. Use these boxes to report state and local income tax information. Enter the two-letter abbreviation of the name of the state. The employer's state I.D. numbers are assigned by the individual states. The state and local information boxes can be used to report wages and taxes for two states and two localities. Keep each state's and locality's information separated by the broken line. If you need to report information for more than two states or localities, prepare a second Form W-2. See **Multiple forms** on page 7.

Specific Instructions for Form W-3

How to complete Form W-3. The instructions under **How to complete Form W-2** on page 6 generally apply to Form W-3. See those instructions. **Darkly type all entries, if possible.**

*Amounts reported on related employment tax forms (e.g., W-2, 941, or 943) should agree with the amounts reported on Form W-3. If there are differences, you may be contacted by the IRS and SSA. You should retain a reconciliation for future reference. See **Reconciling Forms W-2, W-3, 941, and 943** on page 11.*

Box a—Control number. This is an optional box that you may use for numbering the whole transmittal. Make certain that entries **do not** cross over into the form identification box (33333).

Box b—Kind of Payer. Mark the checkbox that applies to you. **Mark only one box. If you have more than one type of Form W-2, send each type with a separate Form W-3.**

941. Mark this box if you file Form 941, Employer's Quarterly Federal Tax Return, **AND no other category applies.**

Military. Mark this box if you are a military employer sending Forms W-2 for members of the uniformed services.

943. Mark this box if you file Form 943, Employer's Annual Tax Return for Agricultural Employees, and you are sending Forms W-2 for agricultural employees. For nonagricultural employees, send their Forms W-2 with a separate Form W-3.

CT-1. Mark this box if you are a **railroad employer** sending Forms W-2 for employees covered under the Railroad Retirement Tax Act (RRTA). **Do not** show employee RRTA tax in boxes 3 through 7. These boxes are **ONLY** for social security and Medicare information. If you also have employees who are subject to social security and Medicare taxes, send that group's Forms W-2 with a separate Form W-3. Mark the 941 box on that Form W-3.

Hshld. emp. Mark this box if you are a household employer sending Forms W-2 for household employees and you did not include the household employee's taxes on Form 941.

Medicare government employee. Mark this box if you are a U.S., state, or local agency filing Forms W-2 for employees subject only to the 1.45% Medicare tax. See **Government employers** on page 4.

Box c—Total number of Forms W-2. Show the number of completed individual Forms W-2 you are transmitting with this Form W-3. Do not count "Void" forms.

Box d—Establishment number. You may use this box to identify separate establishments in your business. You may file a separate Form W-3, with Forms W-2, for each establishment even if they all have the same EIN; or you may use a single Form W-3 for all Forms W-2 of the same type.

Box e—Employer identification number. If you received a preprinted label from the IRS with **Pub. 393**, Federal Employment Tax Forms, or **Pub. 2184**, Alternative Ways To Get Employment Tax Forms and Instructions, place the label inside the brackets in boxes e, f, and g. Make any necessary corrections on the label.

If you are not using a preprinted label, enter the nine-digit number assigned to you by the IRS. The number should be the same as shown on your Form 941, 943, or CT-1 and in the following format: 00-0000000. **Do not use a prior owner's EIN.** See **Box h** below.

If you do not have an EIN when filing your Form W-3, enter "Applied For" in box e, not your social security number, and see the **Box b** instructions for Form W-2 on page 7.

Box f—Employer's name. If you are not using the preprinted IRS label, enter the same name as shown on your Form 941, 943, or CT-1.

Box g—Employer's address and ZIP code. If you are not using the preprinted IRS label, enter your address.

Box h—Other EIN used this year. If you have used an EIN (including a prior owner's EIN) on Form 941, 943, or CT-1 submitted for 2000 that is different from the EIN reported on Form W-3 in box e, enter the other EIN used. In addition, agents must report the employer's EIN in box h. See **Agent reporting** on page 3.

Box i—Employer's state I.D. number. This number is assigned by the individual states. You may want to complete this box if you use copies of Form W-3 to file with the state. If reporting for two states, enter each I.D. number separated by the broken line. You do not have to complete this box for the IRS.

Contact person, telephone number, fax number, and e-mail address. Please enter this information for use by the SSA if any questions arise during processing.

The amounts to enter in boxes 1 through 15 described below are totals from only the Forms W-2 you are sending with this Form W-3.

Boxes 1 through 10. Enter the totals reported in boxes 1 through 10 on the Forms W-2.

Box 11—Nonqualified plans. Enter the total reported in box 11 on Forms W-2. Do not enter a code.

Box 12—Deferred compensation. Enter one total of all amounts reported with codes **D–H** and **S** in box 13 on Forms W-2. Do not enter a code.

Box 13. Third-party payers of sick pay (or employers using the optional rule for Form W-2 described in section 7 of Pub. 15–A) filing third-party sick pay recap Forms W-2 and W-3 must enter "Third-Party Sick Pay Recap" in this box. See **Sick pay** below.

Box 15—Income tax withheld by third-party payer. Complete this box if you are the employer and have employees who had income tax withheld on third-party payments of sick pay. Show the total income tax withheld by third-party payers on payments to all your employees. Although this tax is included in the box 2 total, it must be separately shown here.

If you are a third-party payer of sick pay, make no entry in this box.

Sick pay. Sick pay paid to an employee by a third party, such as an insurance company or trust, requires special treatment at year end because the IRS reconciles your Forms 941 with your Forms W-2 and W-3. If the third-party payer does not notify the employer about sick pay payments, the third-party payer must prepare Forms W-2 and W-3 with respect to the employee. See **Sick Pay Reporting** in section 7 of Pub. 15-A.

Reconciling Forms W-2, W-3, 941, and 943

When there are discrepancies between amounts reported on Forms 941 or 943 filed with the IRS and Forms W-2 and W-3 filed with the SSA, we must contact you to resolve the discrepancies. To help reduce discrepancies—

1. Report bonuses as wages **and** as social security and Medicare wages on Forms W-2 and 941/943.
2. Report both social security and Medicare wages and taxes separately on Forms W-2, W-3, and 941/943.
3. Report social security taxes withheld on Form W-2 in box 4 **not** in box 3.
4. Report Medicare taxes withheld on Form W-2 in box 6 **not** in box 5.
5. Make sure the social security wage amount for each employee **does not exceed** the annual social security wage base limit.
6. Do not report noncash wages that are not subject to social security or Medicare taxes as social security or Medicare wages.
7. If you use an EIN on any quarterly Form 941 for the year (or annual Form 943) that is different from the EIN reported in box e on Form W-3, enter the other EIN in box h on Form W-3.

To reduce the discrepancies between amounts reported on Forms W-2, W-3, and Form 941/943—

1. Be sure the amounts on Form W-3 are the total amounts from Forms W-2.
2. Reconcile Form W-3 with your four quarterly Forms 941 (or annual Form 943) by comparing amounts reported for—
 - Income tax withholding (box 2).
 - Social security wages, Medicare wages and tips, and social security tips (boxes 3, 5, and 7). Form W-3 should include Form 941 or 943 adjustments only for the current year. If the Form 941 or 943 adjustments include amounts for a prior year, do not report those prior year adjustments on the current year Forms W-2 and W-3.
 - Social security and Medicare taxes (boxes 4 and 6). The amounts shown on the four quarterly Forms 941 (or annual Form 943), including current year adjustments, should be approximately twice the amounts shown on Form W-3.

Amounts reported on Forms W-2, W-3, and 941/943 may not match for valid reasons. If they do not match, you should determine that the reasons are valid. Keep your reconciliation in case there are inquiries from the IRS or the SSA.

Privacy Act and Paperwork Reduction Act Notice. We ask for the information on Forms W-2 and W-3 to carry out the Internal Revenue laws of the United States. We need it to figure and collect the right amount of tax. Section 6051 and its regulations require you to furnish wage and tax statements to employees and to the Social Security Administration. Generally, tax returns and return information are confidential, as required by section 6103.

The time needed to complete and file these forms will vary depending on individual circumstances. The estimated average times are: **Form W-2** — 32 minutes, and **Form W-3** — 28 minutes. If you have comments concerning the accuracy of these time estimates or suggestions for making these forms simpler, we would be happy to hear from you.
