## Instructions for Debtor

**Note.** You may not have to include in income a canceled debt (for example, cancellation of a mortgage) if you are an individual who suffered an economic loss by reason of Hurricane Katrina. You must be an individual whose principal residence was in the Hurricane Katrina disaster area on August 25, 2005. This relief applies to discharges made on or after August 25, 2005, and before January 1, 2007. For more details, see Pub. 4492, Tax Information Related to Hurricane Katrina, and the instructions below for canceled debt not included in income.

If a federal government agency, certain agencies connected with the federal government, financial institution, credit union, or an organization having a significant trade or business of lending money (such as a finance or credit card company) cancels or forgives a debt you owe of \$600 or more, this form must be provided to you. Generally, if you are an individual, you must include the canceled amount on the "Other income" line of Form 1040. If you are a corporation, partnership, or other entity, report the canceled debt on your tax return. See the instructions for your tax return.

However, some canceled debts are not includible in your income, such as certain student loans (see Pub. 525), certain debts reduced by the seller after purchase (see Pub. 334), qualified farm debt (see Pub. 225), qualified real property business debt (see Pub. 334), or debts canceled in bankruptcy (see Pub. 908). Do not report a canceled debt as income if you did not deduct it but would have been able to do so on your tax return if you had paid it. Also, do not include canceled debts in your income to the extent you were insolvent. If you exclude a canceled debt

from your income because it was canceled in a bankruptcy case or during insolvency, because the debt is qualified farm debt or qualified real property business debt, or debt canceled due to Hurricane Katrina file Form 982, Reduction of Tax Attributes Due to Discharge of Indebtedness (and Section 1082 Basis Adjustment).

**Account number.** May show an account or other unique number the creditor assigned to distinguish your account.

**Box 1.** Shows the date the debt was canceled.

**Box 2.** Shows the amount of debt canceled.

**Box 3.** Shows interest if included in the canceled debt in box 2. See Pub. 525, Taxable and Nontaxable Income, to see if you must include the interest in gross income.

**Box 5.** Shows a description of the debt. If box 7 is completed, box 5 shows a description of the property.

**Box 6.** If the box is marked, the creditor has indicated the debt was canceled in a bankruptcy proceeding.

**Box 7.** If, in the same calendar year, a foreclosure or abandonment of property occurred in connection with the cancellation of the debt, the fair market value of the property will be shown, or you will receive a separate Form 1099-A, Acquisition or Abandonment of Secured Property. You may have income or loss because of the acquisition or abandonment. See Pub. 544, Sales and Other Dispositions of Assets, for information about foreclosures and abandonments.
