<b>c</b> Enter 20% of line 24b subject to limitations (see instructions)																																																																																																							
<b>d</b> Subtract line 24c from line 24b	24d																																																																																																						
<b>25</b> Utilities	25																																																																																																						
<b>26</b> Wages (less jobs credit)	26																																																																																																						
<b>27a</b> Other expenses (list type and amount):																																																																																																							
.....																																																																																																							
.....																																																																																																							
.....																																																																																																							
.....																																																																																																							
.....																																																																																																							
<b>27b</b> Total other expenses	27b																																																																																																						
<b>28</b> Add amounts in columns for lines 8 through 27b. These are your total expenses ▶	28																																																																																																						
<b>29</b> Net profit or (loss). Subtract line 28 from line 7. If a profit, enter here and on Form 1040, line 12. Also enter the net profit on Schedule SE, line 2 (statutory employees, see Instructions). If a loss, you MUST go on to line 30 (fiduciaries, see Instructions)	29																																																																																																						

**30** If you have a loss, you MUST check the box that describes your investment in this activity (see Instructions).

If you checked 30a, enter the loss on Form 1040, line 12, and Schedule SE, line 2 (statutory employees, see Instructions). If you checked 30b, you MUST attach Form 6198.

} **30a**  All investment is at risk.  
**30b**  Some investment is not at risk.

**Part III Cost of Goods Sold (See Instructions.)**

31	Inventory at beginning of year. (If different from last year's closing inventory, attach explanation.)	31	
32	Purchases less cost of items withdrawn for personal use	32	
33	Cost of labor. (Do not include salary paid to yourself.)	33	
34	Materials and supplies	34	
35	Other costs	35	
36	Add lines 31 through 35	36	
37	Inventory at end of year	37	
38	Cost of goods sold. Subtract line 37 from line 36. Enter the result here and on page 1, line 4	38	

**Part IV Principal Business or Professional Activity Codes**

Locate the major category that best describes your activity. Within the major category, select the activity code that most closely identifies the business or profession that is the principal source of your sales or receipts. Enter this 4-digit code on page 1, line B. For example, a grocery store is under the major category of "Retail Trade," and the code is "3210." (Note: If your principal source of income is from farming activities, you should file Schedule F (Form 1040), Farm Income and Expenses.)

<p><b>Construction</b></p> <p>Code</p> <p>0018 Operative builders (for own account)</p> <p><b>General contractors</b></p> <p>0034 Residential building</p> <p>0059 Nonresidential building</p> <p>0075
