Identifying number

Note: In most cases, you **do not** need to file Form 2210. The IRS will figure any penalty you owe and send you a bill. File Form 2210 **only** if one or more boxes in Part I apply to you. If you do not need to file Form 2210, you still may use it to figure your penalty. Enter the amount from line 20 or line 32 on the penalty line of your return, but **do not** attach Form 2210.

Part I Reasons for Filing—If 1a, b, or c below applies to you, you may be able to lower or eliminate your penalty. But you **MUST** check the boxes that apply and file Form 2210 with your tax return. If 1d below applies to you, check that box and file Form 2210 with your tax return.

- 1 Check whichever boxes apply (if none apply, see the **Note** above):
 - a You request a **waiver**. In certain circumstances, the IRS will waive all or part of the penalty. See **Waiver of Penalty** on page 1 of the instructions.
 - b You use the **annualized income installment method**. If your income varied during the year, this method may reduce the amount of one or more required installments. See page 4 of the instructions.
 - c You had Federal income tax withheld from wages and, for estimated tax purposes, you treat the withheld tax as paid on the dates it was actually withheld, instead of in equal amounts on the payment due dates. See the instructions for line 22 on page 3.
 - d Your required annual payment (line 13 below) is based on your 1996 tax and you filed or are filing a joint return for either 1996 or 1997 but not for both years.
