## Instructions for Recipient

**Account number.** May show an account or other unique number the payer has assigned to distinguish your account.

**Box 1.** Shows the total unemployment compensation paid to you this year. If you expect to receive these benefits in the future, you can ask the payer to withhold federal income tax from each payment. Or, you can make estimated tax payments using Form 1040-ES, Estimated Tax for Individuals. If you made contributions to a governmental unemployment compensation program and received a payment from that program, the payor must issue a separate Form 1099-G to report this amount to you. Include the entire amount in income. If you itemize deductions, you may deduct your contributions on Schedule A (Form 1040) as taxes paid. If you do not itemize, you only need to include the amount in income that is in excess of your contributions. Combine the box 1 taxable amounts from all Forms 1099-G, and report it as income on the unemployment compensation line of your tax return.

**Box 2.** Shows refunds, credits, or offsets of state or local income tax you received. It may be taxable to you if you deducted the state or local income tax paid on Schedule A (Form 1040). Even if you did not receive the amount shown, for example, because it was credited to your state or local estimated tax, it is still taxable if it was deducted. If you received interest on this amount, you should receive Form 1099-INT for the interest. However, the payer may include interest of less than \$600 in the blank box on Form 1099-G. Regardless of whether the interest is reported to you, report it as interest income on your tax return. See your tax return instructions.

**Box 3.** Identifies the tax year for which the refunds, credits, or offsets shown in box 2 were made. If there is no entry in this box, the refund is for 2007 taxes.

**Box 4.** Shows backup withholding or withholding you requested on unemployment compensation, Commodity Credit Corporation loans, or certain crop disaster payments. Generally, a payer must backup withhold on certain payments at a 28% rate if you did not give your taxpayer identification number to the payer. See Form W-9, Request for Taxpayer Identification Number and Certification, for information on backup withholding. Include this amount on your income tax return as tax withheld.

**Box 5.** Shows alternative trade adjustment assistance (ATAA) payments you received. Include on Form 1040 on the "Other income" line. See the Form 1040 instructions.

**Box 6.** Shows taxable grants you received from a federal, state, or local government.

**Box 7.** Shows Department of Agriculture payments that are taxable to you. If the payer shown is anyone other than the Department of Agriculture, it means the payer has received a payment, as a nominee, that is taxable to you. This may represent the entire agricultural subsidy payment received on your behalf by the nominee, or it may be your pro rata share of the original payment. See Pub. 225, Farmer's Tax Guide, and the Instructions for Schedule F, Profit or Loss From Farming, for information about where to report this income. Partnerships, see Form 8825, Rental Real Estate Income and Expenses of a Partnership or an S Corporation, for how to report.

**Box 8.** If this box is checked, the amount in box 2 is attributable to an income tax that applies exclusively to income from a trade or business and is not a tax of general application. If taxable, report the amount in box 2 on Schedule C, C-EZ, or F (Form 1040), as appropriate.
