

## Acknowledgements

This document was made possible with the leadership, support and hard work of the following individuals in the U. S. Department of Health and Human Services Emerging Leader (Native American) Intern Program, Washington, D.C., June 2005, who championed the work of “Reducing Soda Pop Consumption in American Indian and Alaska Native Communities”:

Lynda Bishop  
Brian Chanlman Freeman  
Angela Ingram-Jones  
Carl Lawson  
Gary M. Quinn  
Valerie J. Rock  
Michelle Yeboah  
Tia Zeno

Special thanks to the American Indian and Alaska Native participants in the March 2005 focus group sessions conducted in Phoenix, AZ, Cherokee, NC, Albuquerque, NM, and Pine Ridge, SD.
