

Implementation Process

The final phase focuses on implementation the action plan, pilot testing the changes, reporting to the community on the outcomes, and developing a proposal for a new beverage policy. Examples are provided on how to implement a healthy beverage policy.

Purpose of the Policy

The purpose of this policy initiative is to be used as a guide for AI/communities interested in passing a soda pop/snack vending machine policy. It is anticipated that the policy be adapted to fit the needs of the community.
