THE NATIONAL MARINE FISHERIES SERVICE ANNOUNCES ATLANTIC SHARK IDENTIFICATION WORKSHOPS BEING HELD IN OCTOBER, NOVEMBER, AND DECEMBER 2008

Effective January 1, 2008, an Atlantic shark dealer may not receive, purchase, trade, or barter for Atlantic shark unless a valid Atlantic Shark Identification Workshop certificate is on the premises of each business location listed under the shark dealer permit (71 FR 58057; October 2, 2006). Effective August 4, 2008, trucks or other conveyances of a dealer's place of business which are extensions of a dealer's place of business must possess a copy of a valid dealer or proxy Atlantic Shark Identification Workshop certificate (73 FR 38153; July 3, 2008). Additionally, effective January 1, 2008, Atlantic shark dealers may not renew a Federal shark dealer permit unless a valid Atlantic Shark Identification Workshop certificate has been submitted with the permit renewal application (71 FR 58057; October 2, 2006). As such, **Atlantic shark dealers who have not attended a workshop and received a NMFS certificate must attend one of the free workshops being held in 2008 in order to receive shark product or renew their permits in 2008.** The Atlantic Shark Identification Workshops being held in October, November, and December 2008 are listed below.

Who Must Attend

- All new applicants for Atlantic shark dealer permits planning to purchase sharks in 2008
- All federally-permitted Atlantic shark dealers or a proxy from each business location
 - Proxies:* Shark dealers may send someone else (*i.e.* a proxy) to a shark identification workshop instead of attending themselves. If a dealer decides to send a proxy, then a proxy from each place of business which first receives sharks under the dealer's permit must attend the workshop. A proxy must be:
 - A person who is currently employed by a place of business authorized to receive sharks under the dealer's permit;
 - A primary participant in the identification, weighing, and/or first receipt of fish as they are offloaded from a vessel; and,
 - Involved in filling out dealer reports.

Purpose of Workshops

- To train Federal Atlantic shark dealer permit holders or their proxies to properly identify shark carcasses
- To reduce the number of unknown and improperly identified sharks reported in the dealer reporting form
- To increase the accuracy of species-specific dealer reported information
- To generate a better understanding of the regulatory requirements for Atlantic shark dealers
- To improve quota monitoring and data used for shark stock assessments
