Unless otherwise indicated, the District Performance Review indicators will be used to evaluate conditions and performance in the district over the preceding three year period. This section of the DPR is divided into six sections labeled A-F. Section A-D must be completed by all districts. Section E applies only to those districts having early childhood programs. Section F applies only to those districts with one or more high schools. In order to attain points, the district must answer "yes" to each numbered indicator or block of indicators. Partial points are not awarded.
