

2007 ARMED FORCES MEN'S AND WOMEN'S CROSS COUNTRY CHAMPIONSHIP

1. **COMPETITION RULES:** Current IAAF Rules, as amended by the Armed Forces Sports Committee (AFSC), if applicable. The Armed Forces Championship is conducted in conjunction with the USA Track and Field (USATF) Winter National Cross Country Championship.

2. **DIVISIONS AND COURSE DISTANCES:** Armed Forces runners will compete in the Open Division. Distances are approximate, as finalized by host of the USATF sanctioned championship:

- a. Men's Long Course Competition: 12K
- b. Women's Competition: 8K

3. **SCORING:** Men and women team scores will be separated. The winning men and women team is determined by USA Track & Field's displacement scoring system. This system adds the place number finish of team's official scorers, with place numbers affixed through the Armed Forces event, not the overall national championship event (i.e. the first place Armed Forces finisher in the Men's 12K, who finishes 16th in the national championship, receives the number 1, not the number 16). The winning men's team is determined by adding the displacement finishers of the top four of the team's six men participating in the Men's Long Course (12K), The winning women's team is determined by adding the displacement finishers of the top three of the team's five women participating in the Women's 8K.

4. **TIE BREAKER POLICY:** Placement of first non-scorer for each team (Either the fourth male long course finisher; the third male short course finisher; or the fifth place finisher in the women's race).
