6. POLICY

It is ARS policy to:

- Require travelers to promptly furnish information needed to apply for visas in sufficient time to obtain them without special handling. Visas are obtained by FAS directly from the foreign Embassy.
- Obtain interdepartmental approval in sufficient time to avoid the necessity for special handling of requests for security clearances, passport forms, and approval for attendance at meetings.
- Notify FAS of the proposed itinerary (AD-750) of each employee planning foreign travel. Assure that travelers contact the Agricultural Attache/Counselor and cooperate with U.S. diplomatic representatives to achieve maximum effectiveness in relations with foreign countries. Travelers will notify the Agricultural Attache(s) of changes in itineraries once abroad.
- Obtain travel security clearances for all employees and non-Government persons accredited to USDA when traveling to a foreign country on official business for 180 days or more.
- Require travelers to contact the foreign consular offices stationed in the principal cities of the United States for any information concerning requirements for entry into a foreign country; i.e., import restrictions applying to plant and animal health safety.
- Require travelers to consult the nearest American Embassy or Consulate about

the need for visas before changing itineraries, once arriving abroad.

• Require employees, who are U.S. citizens traveling to a foreign country on official business for USDA, to obtain official passports and, when required, official visas, before departing from the United States. Tourist cards, tourist visas, and personal passports may not be used for official travel.

EXCEPTION: Taiwan is the only country where personal passports will be used as the United States does not have diplomatic relations with Taiwan.

• Obtain passports released by FAS only after clearance is received from FAA, FAS.

7. DELEGATION

Designate an ARS Travel Coordinator, who is the Head, Policy and Travel Management Section, BFSB, FMD.

8. **RESPONSIBILITIES**

The ARS Travel Coordinator is responsible for:

- Assuring compliance with foreign travel document processing time schedules, procedures, and other requirements.
- Notifying the FTU of any changes in employment status that would affect the necessity for maintaining unexpired passports; i.e., retirement, transfer to another Agency.
- Making monthly changes to the Passport Control Report.

9. TIME SCHEDULES FOR OBTAINING PASSPORTS AND VISAS

When planning foreign travel, allow sufficient time to obtain the official passport and visas.

- New passports. An AD-121 (see exhibit 1) must be received by BFSB:
 - 50 calendar days before departure for employees in the Washington, DC,

Metropolitan Area.

- **65 calendar days** before departure for field employees outside the Washington, DC, Metropolitan Area.
- **Revalidated passports.** An AD-121 (see exhibit 1) must be received by BFSB **30 calendar days** before departure for all employees.
- Visas. All foreign countries require 30 calendar days for routine processing.

NOTE: The FTU **WILL NOT** obtain passports or visas in less than the established number of days to process pertinent documents without a strong justification explaining the circumstances. Late justification for issuance must be in letter form from the Area Administrative Officer addressed to the Department of State Passport Office and signed by the FTU.

10. VISA REQUIREMENTS GUIDE

The Visa Requirements Guide alphabetically lists each country and the visa documentation required by Embassies for issuance of official visas where required. The Visa Requirements Guide is published and distributed to all Area Offices by the Travel Office, BFSB, FMD, as major changes are issued by FAS.

11. DIPLOMATIC CONTACTS

After arrival and before transacting business with officials of foreign Governments in the Agricultural Attache's country(ies) of responsibility, traveler MUST contact the Agricultural Attache, or in the Attache's absence, other diplomatic officers of the United States, as may be appropriate.

NOTE: The above requirement also applies to employees stationed in a foreign country and traveling to another foreign country on official business.

The Department of State wants its Diplomatic and Consular offices to provide maximum help and assistance to ARS travelers while abroad. USDA employees should cooperate to the fullest degree with U.S. diplomatic representatives to achieve maximum effectiveness in our relations with foreign countries.

NOTE: Travelers do not need to contact the Agricultural Attache upon arrival in the Attache's country(ies) of responsibility when the travel is to attend a

professional society meeting. However, advising the Attache before the trip and submission of the itinerary copies to FAA is required. The Agricultural Attache MUST be contacted when attendance at international meetings is sponsored by public international organizations; i.e., FAO conferences.
