

# NOTICE!

## AREA CLOSED TO ALL MOTORIZED USE!

UNTIL FURTHER NOTICE --

**SNOWMOBILES AND ATVs ARE NOT PERMITTED** due to low snow. Deschutes National Forest officials will determine when snow depth and density are adequate to minimize impacts to soil and vegetation. Only after that decision will motorized closure signs and this poster be replaced with “OPEN TO SNOWMOBILES AND ATVs” signing.

**Hwy 46 and Road 370 are open to snowmobiling/atv use only when they are closed to hwy traffic AND they are snow covered. Again, off road snowmobile/atv use is not permitted anywhere in this area until the motorized closure signs are removed in the Dutchman area AND replaced with “OPEN ...” signing.**

*Violation of this closure (36 CFR 261.56) subject to \$5,000 fine and 6 months in jail.*

**Thank you for your patience and cooperation!**  
For further information call Deschutes National Forest at:  
**(541) 383-4000.**
