

In accordance with § 422.158(b) of our regulations, the applicant must provide documentation relating to—

- Its ability to provide data in a CMS-compatible format;
- The adequacy of personnel and other resources necessary to perform the required surveys and other activities; and
- Assurances that it will comply with ongoing responsibility requirements specified in § 422.157(c) of our regulations.

In accordance with section 1865(b)(3)(A) of the Act, the proposed notice also solicited public comment on the ability of the NCQA's accreditation program to meet or exceed the Medicare requirements for which it seeks authority to deem. We did not receive any public comment in response to the proposed notice.

#### IV. Provisions of the Final Notice

On August 4, 2004, NCQA submitted all the necessary information to permit us to make a determination concerning its request for approval as a deeming authority for MA organizations that are licensed as a PPO.

We compared the standards contained in NCQA's PPO crosswalk and its survey process with the Medicare regulations and the PPO survey monitoring guide. Our review and evaluation of NCQA's deeming application determined that the NCQA standards meet or exceed those established by the Medicare program. Therefore, we recognize NCQA as a national accreditation organization for local preferred provider organizations that wish to participate in the Medicare Advantage program, effective October 20, 2004 through October 20, 2010.

#### V. Collection of Information Requirements

This final notice does not impose any information collection and record keeping requirements subject to the Paperwork Reduction Act (PRA). Consequently, it does not need to be reviewed by the Office of Management and Budget (OMB) under the authority of the PRA.

#### VI. Executive Order 12866 Statement

In accordance with the provisions of Executive Order 12866, this notice was not reviewed by the Office of Management and Budget.

#### SUPPLEMENTARY INFORMATION:

##### I. Background

On October 7, 2004, we published a correction notice (FR Doc. 04-22399, 69 FR 60158) to correct a number of technical errors that had appeared in the FY 2005 SNF PPS update notice published on July 30, 2004 (FR Doc. 04-17443, 69 FR 45775). In that notice we indicated that the corrected wage tables and other tables were being posted on the CMS Web site at <http://www.cms.hhs.gov/providers/snfpps>, and we also expressed our intent to publish them in a forthcoming **Federal Register** notice. In this notice we are fulfilling that intent, as well as correcting certain

additional technical errors in wage index values that have been recently identified. The corrections appear in this document under the heading "Correction of Errors." The provisions in this correction notice are effective as if they had been included in the document published in the **Federal Register** on July 30, 2004, that is, as of October 1, 2004, except for those wage index value corrections that we specifically note to be effective as of January 1, 2005.

In this notice, we hereby set forth the corrected versions of Tables 8, 9, 10, and 12 that were referenced in FR Doc. 04-22399 (69 FR 60158).

### III. Waiver of Proposed Rulemaking and Delayed Effective Date

We ordinarily publish a notice of proposed rulemaking in the **Federal Register** to provide a period for public comment before the provisions of a notice such as this take effect in accordance with section 553(b) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). We also ordinarily provide a 30-day delay in the effective date of the provisions of a notice in accordance with section 553(d) of the APA (5 U.S.C. 553(d)). However, we can waive both the notice and comment procedure and the 30-day delay in effective date if the Secretary finds, for good cause, that a notice and comment process is impracticable, unnecessary or contrary to the public interest, and incorporates a statement of the finding and the reasons therefore in the notice.

We find it unnecessary to undertake notice-and-comment rulemaking because this notice merely provides technical corrections to the regulations. We are not changing our payment methodology, but rather, are simply implementing correctly the payment methodology that we previously proposed, received comment on, and subsequently finalized. Thus, because the public has already had the opportunity to comment on the payment methodology being used to calculate

wage indexes, additional comment would be unnecessary.

Further, we believe a delayed effective date is unnecessary because this correction notice merely corrects inadvertent technical errors. Further, we believe imposing a 30-day delay in the effective date would be contrary to the public interest for SNF providers in the affected MSAs. We believe that it is imperative that these providers receive appropriate SNF PPS payments in as timely a manner as possible, and any delay in applying the appropriate wage index would be contrary to the public interest. Further, the changes noted above do not make any substantive changes to the SNF PPS payment methodology or underlying payment policies. Therefore, we find good cause to waive notice-and-comment procedures, as well as the 30-day delay in effective date.
