Need for Corrections

As published at 73 FR 7190, the final regulation contained errors that may prove to be misleading and need to be clarified.

1. The first error is contained in the beginning in the Final Rule on page 7190 where it indicates the Effective Date of the amendments is March 10, 2008. This is incorrect. The text should read: *Effective Date:* March 15, 2008.

2. The second error is on page 7196 in the words of issuance. This text should have stated the amendments are effective for the 2009 and succeeding crop years. The text should read as follows:

“Accordingly, as set forth in the preamble, the Federal Crop Insurance Corporation amends 7 CFR part 457, Common Crop Insurance Regulations, for the 2009 and succeeding crop years as follows:”

3. The third error is on page 7199 in section 10(e)(2)(iv). This correction replaces the semi-colon at the end of paragraph (e)(2)(iv) with a period.

Signed in Washington, DC, on February 21, 2008.

Onions Grown in South Texas; Order Amending Marketing Order No. 959

AGENCY: Agricultural Marketing Service, USDA.

ACTION: Final rule.

SUMMARY: This rule amends Marketing Order No. 959 (order), which regulates the handling of onions grown in South Texas. The amendments are based on those proposed by the South Texas Onion Committee (committee), which is responsible for local administration of the order, and the Department of Agriculture (USDA). The amendments will authorize interest and late payment charges on assessments not paid within a prescribed time period and require that a continuance referendum be conducted every six years to determine grower support for the order. The amendments were approved by onion growers in a mail referendum conducted from September 10 through September 28, 2007. The amendments are intended to improve the operation and functioning of the South Texas onion marketing order program. Proposed amendments that failed in referendum and are not included in this final order include authority for supplemental assessment rates, marketing promotion and paid advertising authority, and tenure limitations for committee members.

DATES: This rule is effective March 31, 2008.
