- SUBJECT: Distribution of the McIntire-Stennis Cooperative Forestry Act Funds for Fiscal Year (FY) 2003

Attached is a copy of the CSREES-OD-1088(D), Distribution of McIntire-Stennis Funds, for FY 2003. The formula calculation for McIntire-Stennis funds includes updated statistics for the area of Non-Federal Commercial Forest, Volume of Timber, and Non-Federal Funds for Forestry Research. The distribution identifies funds for the Small Business Innovation Research Program, reflecting the requirement that not less than 2.50 percent of the funds be set aside for that purpose in FY 2003. The distribution also identifies a set aside for biotechnology risk assessment.

The Certification of Offset Form (FMB-2105) for FY 2003, the Certification Regarding Lobbying Form, and the Primary Contact Person Form are attached. Please complete and return by May 24, 2003, to:
