^f No hunter, regardless of the quantity or type of permits in his/her possession, may harvest more than 2 antlered deer during a year, including the archery, muzzleloader, and firearm seasons. For the purpose of this bag limit, deer seasons are considered to be in the same year if their opening dates are within the same 12-month period that begins July 1.

^g Antlered Deer bag limit does not apply to this season.

Season Dates – Rules of Thumb

Many hunters need to plan vacations and hunting trips in advance of the annual distribution of the *Digest of Hunting and Trapping Regulations*. For such planning purposes, we are providing the general rules of thumb used for setting annual season dates. Although there are no guarantees that these season dates will be used in future years, this is the best information available for those who must make plans well in advance of announcements of official season dates.

THE WORLD LEADER IN CLEAN MARINE POWER.

THE CLEANEST POWER ON THE WATER.

No one is more devoted to developing and refining clean power than Mercury Marine. Our lineup of FourStroke and DFI outboards is the cleanest in the industry – and all MerCruiser® sterndrives, inboards and tow sports inboards are three-star rated (by the California Air Resource Board [CARB]). The three-star ultra-low emissions label identifies engines that meet CARB's 2008 exhaust emission standards. Engines meeting these standards have 65 percent lower emissions than one-star engines. In fact, Mercury Marine has more three-star rated engines across our product lines than any other engine manufacturer in the world!

TOGETHER, WE'RE MAKING A DIFFERENCE.

Mercury Marine is proud to be in partnership with renowned organizations across the country to ensure a clean marine environment for current and future generations. Clean lakes and rivers provide better fishing, more enjoyable boating and a better environment for everyone.
