| Hitachi, Ltd. | Toyota Motor Manufacturing North America, Inc. |
| IBM Corporation | Waste Management, Inc. |
| Koch Industries, Inc. | |

Performance Track is a voluntary partnership between EPA and industry leaders that commit to continuous environmental improvement. The Wildlife Habitat Council is a nonprofit organization dedicated to enhancing and restoring wildlife habitat. Created in 1988, WHC helps large landowners, particularly corporations, manage their unused lands in an ecologically sensitive manner for the benefit of wildlife.
