*Washington, DC* - **Congressman Bill Shuster** is pleased to announce that he will remain a part of House Republican leadership as a member of the Republican Whip team for the 111<sup>th</sup> Congress.

“I am proud to be part of the Republican leadership team in the 111<sup>th</sup> Congress,” Congressman Shuster said. “The next two years represents a historic opportunity for the Republican Party to reassert itself as the party of opportunity, prosperity and accountable government. There is much work to be done and I look forward to helping Leader Boehner and Republican Whip Cantor and his team in managing the Republican agenda in the days and weeks ahead.”

“This week begins our march toward a stronger future for America based on revitalized, common sense ideals,” said Congressman Eric Cantor, the Republican Whip. “I’m pleased that Congressman Shuster has joined the Republican Whip Team, the team that will act as the cornerstone of House Republican efforts to preserve, protect and create a better tomorrow for working families. This team is comprised of top leaders that will advance a positive vision for the future of our country, a vision based on accountability, transparency and action. I look forward to getting to work alongside of Bill Shuster.”
