§ 3405.3 Institutional eligibility.

Proposals may be submitted by land-grant and other U.S. colleges and universities offering a baccalaureate or first professional degree in at least one discipline or area of the food and agricultural sciences. Each applicant must have a demonstrable capacity for, and a significant ongoing commitment to, the teaching of food and agricultural sciences generally and to the specific need and/or subject area(s) for which a grant is requested. Awards may be made only to eligible institutions as defined in § 3405.2(i).

Subpart B—Program Description

§ 3405.4 Purpose of the program.

The Department of Agriculture is designated as the lead Federal agency for higher education in the food and agricultural sciences. In this context, CSREES has specific responsibility to initiate and support projects to strengthen college and university teaching programs in the food and agricultural sciences. One national initiative for carrying out this responsibility is the competitive Higher Education Challenge Grants Program. A primary goal of the program is to attract and ensure a continual flow of outstanding students into food and agricultural sciences higher education programs
