Box Access Code (BAC) Request Form

Output Distribution Unit
Computer Center Branch, DCRT
National Institutes of Health
Building 12A, Room 1000
Bethesda, Maryland 20892

Each individual who intends to pick up computer output from the NIH Computer Center must register for a BAC for one of the new electronically controlled output boxes. (See "New Locked Computer Output Boxes Increase Security," Interfact 139, page 10.) We can not issue a BAC to messengers or couriers; this code must be obtained from the registered user.

Name (Printed) : _____

Address : _____

Account Number : _____ Initials : _____

Box Number : _____ Telephone Number : (____) ____ - _____

Signature : _____ Date : ____ / ____ / ____

Return completed form to :

NIH, DCRT
ATTN : Head, Output Distribution Unit
Building 12A, Room 1000
Bethesda, MD 20892

Upon receipt and verification of the completed form, the BAC will be mailed to the user's address specified above. Extra forms may be obtained at the Output Distribution Unit or by xeroxing this form.

The BAC for your box number _____ is _____.

This information should be treated as confidential.

Form Date : 11/18/87
