

This report is required by regulations (9 CFR 102.4 and 114.7). Failure to report can result in suspension or revocation of establishment license.

According to the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information is 0579-0013. The time required to complete this information collection is estimated to average 0.2 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

APHIS FORM 2007 Previous editions are obsolete.  
(NOV 2001)

**PRIVACY ACT NOTICE**

The information requested on this form will not be retrieved from our files by using your name or personal identifier and is therefore, in the opinion of this agency, not subject to provisions of the Privacy Act of 1974. However, in keeping with the spirit and intent of the Privacy Act we are informing you of the following:

- Authority:** 9 CFR Section 114.7(a)
- Purpose:** That compliance with the Act and applicable regulations be under supervision of person(s) competent in the preparation of biological products.
- Routine uses:** To determine that the responsible person(s) producing biological products are qualified by training and experience and have demonstrated fitness to produce such products in compliance with the Act.
- Effects of Failure to Furnish Information:** Failure to report can result in suspension or revocation of establishment license. Failure to provide the requested personal information will result in no personal penalties or adverse consequences.

## INSTRUCTIONS FOR COMPLETING APHIS FORM 2007

This form shall be completed for each supervisory employee responsible for essential steps in production, testing, and initial distribution of biological products. Submit one copy to CVB.
