Recreation Opportunities

We have a continuing commitment to provide access to National Forest lands for everyone.

This guide lists public boat ramp facilities located within the Shasta and Trinity Units of the Whiskeytown - Shasta-Trinity National Recreation Area, that have accessible loading platforms.

In addition to providing easy wheelchair access for visitors when launching boats, they also can accommodate the use of patient lifts.

If you would like to use one of these loading platforms at Shasta Lake, they are located at the Antlers, Centimudi and Packers Bay public ramps. At Trinity Lake, there is an accessible loading platform at the Clark Springs public ramp.

The Antlers, Centimudi and Packers Bay public ramps are usually open all year, however they may be closed when the parking lots fill up or lake debris makes launching hazardous. Clark Springs public ramp is closed during the winter.

For current information on public boat ramps at Shasta Lake, contact the Shasta Lake Information Center at (530) 275-1589. For Trinity Lake, contact the Weaverville Ranger Station at (530) 623-2121.

The Golden Access and Golden Age Passports

The Golden Access Passport is a lifetime permit and is free of charge for citizens and permanent residents of the United States that are legally blind or permanently disabled. It admits the passport owner and any accompanying passengers in a private vehicle. Proof of medically determined disability or eligibility for receiving benefits under federal law must be shown.

The Golden Age Passport is also a lifetime permit and can be purchased at a one time \$10 fee by citizens and permanent residents of the United States who are at least 62 years of age.

Both passports must be obtained *in person* at any national park, national wildlife refuge, and Corps of Engineers, Forest Service or Bureau of Land Management office, and provide free entrance into the national parks and a 50% discount on most recreation use fees at federal facilities.

Both the Shasta Recreation Company, Concessionaire to the Shasta Unit and Hodge Management, Concessionaire to the Trinity Unit, offer annual boat launch passes. Holders of either a Golden Age or Golden Access passport can purchase these passes for 50% off the advertised price.
