

# Boat Rentals at Shasta Lake

Shasta Unit • Whiskeytown - Shasta-Trinity National Recreation Area  
 Shasta-Trinity National Forest

A wide variety of rental boats are available at the resorts and marinas on Shasta Lake. The table below indicates the types of boats available at each facility.

Houseboats are very popular on Shasta Lake. For many vacationers these vessels represent the ultimate in luxury, providing all the conveniences of home for up to 22 people as they cruise around the lake. Early reservations are strongly recommended from mid-May through August.

Patio boats are modern day versions of Huck Finn’s raft. While some are outfitted for cooking and sleeping, most are simply a floating patio with an awning.

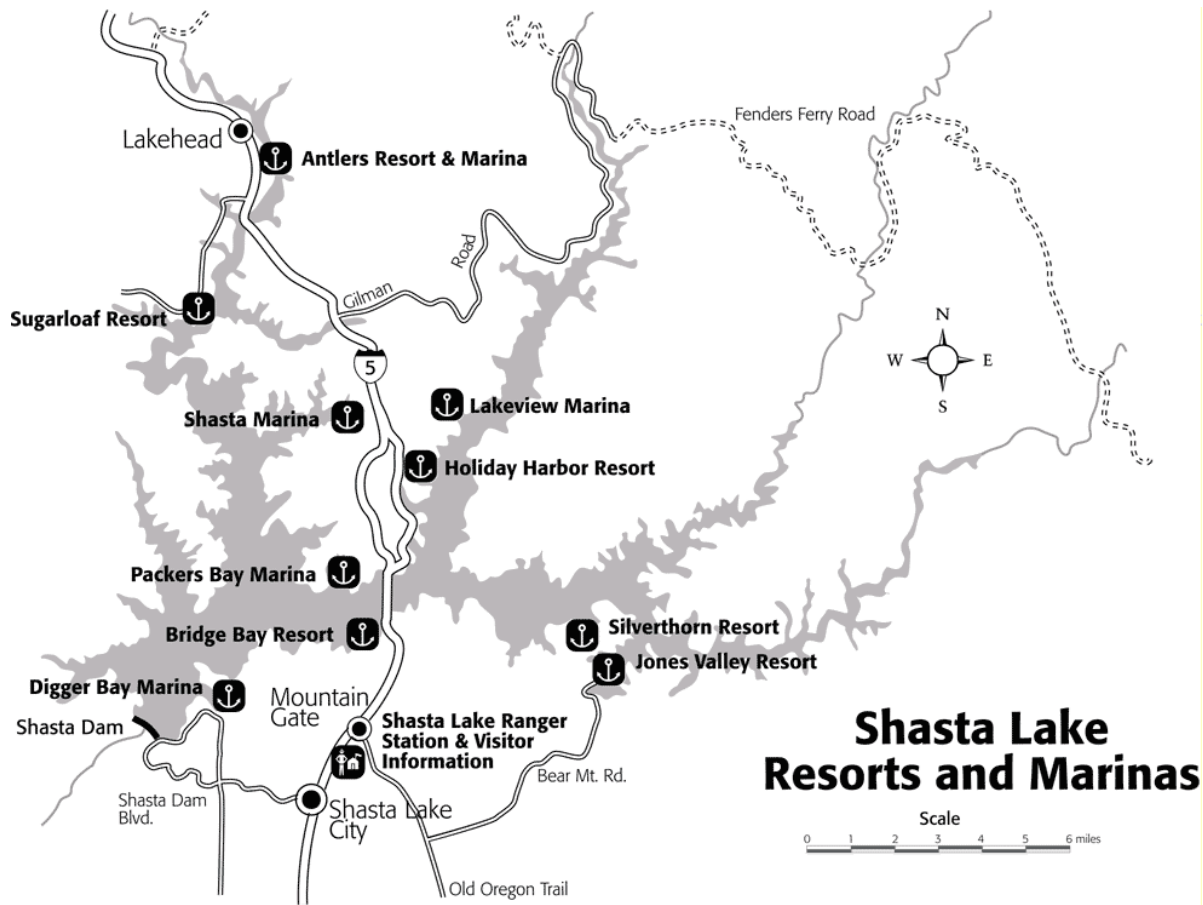

Ski boats, fishing boats and several types of personal watercraft are also available at several resorts. These smaller boats are also available in Redding, Shasta Lake City and Lakehead.

For availability and pricing, please contact the resorts and marinas directly. Many of these facilities also offer their information through web pages, as indicated on the back of this brochure.
