

Threatened, Endangered, Proposed, Sensitive, and Endemic Plants Known or Suspected to Occur on Shasta-Trinity National Forest, California – October 2006

| PLANTS code | Common Name | Scientific Name | Taxon Class |
|-------------|----------------------------|--|-------------|
| BOPU4 | red-pored bolete | <i>Boletus pulcherrimus</i> | F |
| CUMO2 | no common name | <i>Cudonia monticola</i> | F |
| DERA5 | branched collybia | <i>Dendrocollybia racemosa</i> | F |
| PHOL | no common name | <i>Phaeocollybia olivacea</i> | F |
| SORH | stalked orange peel fungus | <i>Sowerbyella rhenana</i> | F |
| HYVE7 | veined water lichen | <i>Hydrothyria venosa</i> | L |
| SUBA | Bay horsehair lichen | <i>Sulcaria badia</i> | L |
| BUVI | green bug-on-a-stick moss | <i>Buxbaumia viridis</i> | NV |
| METR70 | three-ranked hump-moss | <i>Meesia triquetra</i> | NV |
| MEUL70 | broad-nerved hump-moss | <i>Meesia uliginosa</i> | NV |
| MIEL5 | elongate copper moss | <i>Mielichhoferia elongata</i> | NV |
| PTCA5 | Pacific fuzzwort | <i>Ptilidium californicum</i> | NV |
| AGSH2 | Shasta ageratina | <i>Ageratina shastensis</i> | V |
| ANSC | scabrid alpine tarplant | <i>Anisocarpus scabridus</i> | V |
| ARVE | Shasta County arnica | <i>Arnica venosa</i> | V |
| BOCR | scalloped moonwort | <i>Botrychium crenulatum</i> | V |
| BOMI | Mingan moonwort | <i>Botrychium minganense</i> | V |
| BOPI | northwestern moonwort | <i>Botrychium pinnatum</i> | V |
| BOVI | rattlesnake fern | <i>Botrychium virginianum</i> | V |
| CAGR | Greene's mariposa lily | <i>Calochortus greenei</i> | V |
| CALOL | long-haired star tulip | <i>Calochortus longebarbatus</i> var. <i>longebarbatus</i> | V |
| CAATB | Butte County morning glory | <i>Calystegia atriplicifolia</i> ssp. <i>buttensis</i> | V |
| CASH3 | Castle Crags harebell | <i>Campanula shetleri</i> | V |
| CAWI8 | Wilkins' harebell | <i>Campanula wilkinsiana</i> | V |
| CHSU | Shasta chaenactis | <i>Chaenactis suffrutescens</i> | V |
| CLBOB | northern clarkia | <i>Clarkia borealis</i> ssp. <i>borealis</i> | V |
| COLA89 | talus collomia | <i>Collomia larsenii</i> | V |
| COTEP2 | pallid bird's beak | <i>Cordylanthus tenuis</i> ssp. <i>pallescens</i> | V |
| CYFA | clustered lady's slipper | <i>Cypripedium fasciculatum</i> | V |
| CYMO2 | mountain lady's slipper | <i>Cypripedium montanum</i> | V |
| DRCA6 | Mt. Eddy draba | <i>Draba carnosula</i> | V |
| EPOR | Oregon willowherb | <i>Epilobium oregonum</i> | V |
| ERTR4 | Brandegee's woolly-star | <i>Eriastrum tracyi</i> | V |
| EROP2 | serpentine goldenbush | <i>Ericameria ophitidis</i> | V |
| ERAL6 | Trinity buckwheat | <i>Eriogonum alpinum</i> | V |
| ERLI4 | Dubakella buckwheat | <i>Eriogonum libertini</i> | V |
| ERURE | blushing wild buckwheat | <i>Eriogonum ursinum</i> var. <i>erubescens</i> | V |
| ERCIR | Roderick's fawnlily | <i>Erythronium citrinum</i> var. <i>roderickii</i> | V |
| FRUM2 | Umpqua green-gentian | <i>Frasera umpquaensis</i> | V |
| FREA | Butte County fritillaria | <i>Fritillaria eastwoodiae</i> | V |
| HADO2 | Niles' madia | <i>Harmonia doris-nilesiae</i> | V |
| HAST10 | Stebbins' madia | <i>Harmonia stebbinsii</i> | V |
| HOAQ | water howellia | <i>Howellia aquatilis</i> | V |
| ILLA2 | California wild hollyhock | <i>Iliamna latibracteata</i> | V |
| IVPI | Pickering's ivesia | <i>Ivesia pickeringii</i> | V |
| IVLO | Castle Crags ivesia | <i>Ivesia longibracteata</i> | V |
| LENUH | Mt. Tedoc linanthus | <i>Leptosiphon nuttallii</i> ssp. <i>howellii</i> | V |
| LECA11 | Cantelow's lewisia | <i>Lewisia cantelovii</i> | V |
| MIRO3 | Peanut sandwort | <i>Minuartia rosei</i> | V |
| MIST9 | Scott Mountain sandwort | <i>Minuartia stolonifera</i> | V |
| MOHO | Howell's montia | <i>Montia howellii</i> | V |
| NECL | California snow-wreath | <i>Neviusia cliffonii</i> | V |

Threatened, Endangered, Proposed, Sensitive, and Endemic Plants Known or Suspected to Occur on Shasta-Trinity National Forest, California – October 2006

| PLANTS code | Common Name | Scientific Name | Taxon Class |
|--------------------|------------------------------|---|--------------------|
| OPPU | Northern adder's-tongue fern | <i>Ophioglossum pusillum</i> | V |
| ORTE | slender Orcutt-grass | <i>Orcuttia tenuis</i> | V |
| PACII | fringed grass-of-parnassus | <i>Parnassia cirrata</i> var. <i>intermedia</i> | V |
| PEFI2 | thread-leaved beardtongue | <i>Penstemon filiformis</i> | V |
| PHCO20 | Cooke's phacelia | <i>Phacelia cookei</i> | V |
| PHGR2 | Scott Valley phacelia | <i>Phacelia greenei</i> | V |
| POCH3 | Mason's sky pilot | <i>Polemonium chartaceum</i> | V |
| RAPR | showy raillardella | <i>Raillardella pringlei</i> | V |
| ROCO3 | Columbia yellow cress | <i>Rorippa columbiae</i> | V |
| SEPA15 | Canyon Creek stonecrop | <i>Sedum paradisum</i> | V |
| SIOCL | long-stiped campion | <i>Silene occidentalis</i> ssp. <i>longistipitata</i> | V |
| SMJA | English Peak greenbriar | <i>Smilax jamesii</i> | V |

| Key to Symbols & Codes | |
|-----------------------------------|-------------------------------|
| 51* | V - Vascular plant |
| 5 | NV - Nonvascular plant |
| 2 | L - Lichen |
| 5 | F - Fungus |

* Total number of plants in list
