

FIREWOOD QUARANTINE IN WISCONSIN

The tree-killing pest, emerald ash borer is in Wisconsin. To help prevent its spread, **new firewood rules apply.**

**Emerald Ash Borer
Quarantined Counties**

**Questions?
Ask property staff or
call 1-877-303-WOOD.**

Hardwood firewood that was harvested, purchased, or stored in a quarantined area **MAY NOT LEAVE** the quarantined area. To legally transport the wood **through** a quarantined area, do not stop in the area any longer than it takes to re-fuel.

Map prepared by Wisconsin Department of Natural Resources Bureau of Parks and Recreation
BG 8/8/08

Please don't move firewood. Instead, buy it where you burn it, and use it all up. Remember, wood from out of state or more than 50 miles away is prohibited on this and other state properties. And now, wood from Ozaukee, Washington, Sheboygan, and Fond du Lac Counties is prohibited in all other counties. 8/08
