NOTIFICATION OF STATEMENTS  
OF NUTRITIONAL SUPPORT

This Notification is filed pursuant to § 403(r)(6) of the Federal Food Drug and Cosmetic Act (FDC Act), 21 U.S.C. § 343 (r)(6).

Name of dietary supplement: DetoxAid

Statement(s) of nutritional support:

May help to revitalize, protect and detoxify the liver. Support for the liver, it includes:  
Dandelion – as a purifying agent and liver tonic, this gentle and versatile herb supports the liver's natural detoxification functions.

Milk thistle helps protect the liver from many common environmental toxins.

Trimethylglycine aids in neutralizing toxins and is essential for the production of glutathione-a protective nutrient.

N-Acetylcysteine and Alpha lipoic acid support glutathione production in the liver, protecting it against free radical attack, while helping to boost overall health.

I certify that the information contained in this notice is complete and accurate, and that we have substantiation that the statement(s) is (are) truthful and not misleading. Two copies of this notification are enclosed with this original.

A handwritten signature in cursive script that reads "Berrilyn J. Branch".
