

Infant Nutrition and Feeding Resource List July 2008

This publication is a collection of resources on the topic of infant nutrition and feeding. Resources include books, pamphlets and audiovisuals and are limited to those published in 2005 or later. Many of the pamphlets are available in single copies and some may also be purchased in bulk from the organization listed (Web addresses are provided for materials available online). The books and audiovisuals can be either borrowed from your local library or purchased from your local book store.

Materials may also be available to borrow from the National Agricultural Library (NAL) collection. Lending and copy service information is provided at the end of this document. Materials cannot be purchased from NAL. Contact information is provided for the publisher/producer if you wish to purchase any materials on this list.

This Resource List is available from the Food and Nutrition Information Center's (FNIC) Web site at: <http://www.nal.usda.gov/fnic/pubs/bibs/topics/pregnancy/pregcon.pdf>. A complete list of FNIC publications can be found at http://www.nal.usda.gov/fnic/resource_lists.shtml.

Table of Contents:

- IV. National Contacts

I. Books

A. Breastfeeding

Breastfeeding: A Mother's Gift, 3rd Edition

Pamela K. Wiggins, IBCLC, RLC

Franklin, VA: L.A. Publishing, LLC, 2006. 152 pp.

Description: Discusses the benefits of breastfeeding, how to do it successfully and how to resolve possible problems.

The Breastfeeding Answer Book: Pocket Guide Edition

Nancy Mohrbacher, IBCLC

Schaumburg, IL: La Leche League International, 2005. 244 pp.

Description: Highlights topics such as breastfeeding during emergencies, problems of the mother and infant, socio-economic difficulties, milk expression and storage, positioning and latching, premature infants, weaning and healthy weight gain.

Breastfeeding: A Parent's Guide, 8th Edition

Amy Spangler, MN, RN, IBCLC

Atlanta, GA: Amy's Baby Company, 2006. 192 pp.

Description: Describes the benefits of breastfeeding as well as provides tips and guidance on how to breastfeed. Includes sections on potential complications and special needs. Also available in Spanish.

Breastfeeding: Keep it Simple, 2nd Edition

Amy Spangler, MN, RN, IBCLC

Atlanta, GA: Amy's Baby Company, 2006. 88 pp.

Description: Provides breastfeeding guidance to women in question and answer format. Includes resources for additional information. Also available in Spanish.

Medications and Mothers' Milk, 12th Edition

Thomas Hale, PhD

Amarillo, TX: Hale Publishing L.P., 2006. 936 pp.

Description: Includes pharmacological advice for lactation consultants, nurses, physicians and nursing mothers. Discusses many drugs, vitamins, and herbs in relation to the effect on breast milk.

Nursing Mother, Working Mother, 2nd Edition

Gale Pryor and Kathleen Huggins, RN, MS

Boston, MA: Harvard Common Press, 2007. 237 pp.

Description: Guides mothers in how to pump and store breast milk, negotiate with employers and establish a new feeding routine.

The Nursing Mother's Companion, 5th Edition

Kathleen Huggins, RN, MS

Boston, MA: Harvard Common Press, 2005. 308 pp.

Description: Includes instruction on how to breastfeed. Illustrations are provided for additional guidance.

The Nursing Mother's Guide to Weaning, Revised Edition

Kathleen Huggins, RN, MS and Linda Ziedrich

Boston, MA: Harvard Common Press, 2007. 208 pp.

Description: Provides information on weaning children of different ages by introducing bottles and complementary foods. Helps mothers delay or implement weaning practices.

Oh Yes You Can Breastfeed Twins: Plus More Tips for Simplifying Life with Twins

April Rudat, MS Ed, RD, LDN

April Rudat, RD, LLC, 2007. 252 pp.

Description: Presents tips and resources for breastfeeding twins. Topics include setting up the nursery environment, record keeping, and what to expect as the infants grow and develop over the first year.

Why Should I Nurse My Baby? And Other Questions Mothers Ask About Breastfeeding

Pamela Wiggins, IBCLC

Franklin, VA: L.A. Publishing, 2005. 64 pp.

Description: Discusses the benefits of breastfeeding and includes guidance and tips for the breastfeeding mom. Also available in Spanish, French, Haitian Creole, Chinese, Vietnamese and Native American.

B. General Nutrition

Baby Bistro Box

Christina Schmidt, MS

Santa Barbara, CA: Baby Bistro Brands, 2002.

Description: In recipe box format, presents advice, information and recipes based on child's age. Also provides nutrient needs and serving suggestions for the infant.

Baby Bites

Bridget Swinney, MS, RD

New York, NY: Meadowbrook Press, 2007. 500 pp.

Description: Aids mothers in providing nutritious meals for infants and young children. Topics include introducing complementary foods, food timing, oral health, and vegetarianism. Also provides recipes.

Blender Baby Food

Nicole Young and Nadine Day, RD
Toronto, Ontario: Robert Rose, 2005. 181 pp.

Description: Presents recipes specifically for certain stages of baby's development. Also shows how to tailor foods to meet the baby's preferences.

The Complete Idiot's Guide to Feeding Your Baby and Toddler

Elizabeth Ward, MS, RD
New York, NY: Penguin Group, Inc. 2005. 336 pp.

Description: Provides guidance on infant nutrition and health, as well as advice for weaning babies from soft foods to more solid foods. Includes chapters on food allergies, feeding a vegetarian child and more than 200 recipes.

Infant Nutrition and Feeding: A Guide for Use in the WIC and CSF Programs

Alexandria, VA: U.S. Department of Agriculture, 2007. 227 pp.

Web site: http://www.nal.usda.gov/wicworks/Topics/Infant_Feeding_Guide.html

Description: Examines topics related to infant nutrition and answers common questions. Also addresses complementary foods, food selection, and vegetarian nutrition. Available in electronic format only.

Meals Without Squeals: Child Care Feeding Guide and Cookbook, 3rd Edition

Christine Berman, MPH, RD, and Jacki Fromer
Boulder, CO: Bull Publishing Company, 2006. 300 pp.

Description: Discusses nutritious food for children, including the following topics: children's growth, common feeding problems, and how to offer children positive experiences with food.

My Child Won't Eat!

Carlos Gonzalez, MD
Schaumburg, IL: La Leche League International, 2005. 172 pp.

Description: Guides parents and caregivers in how to prevent and manage eating and growth problems in infants and children.

The Petit Appetit Cookbook

Lisa Barnes
New York, NY: Penguin Group, Inc. 2005. 239 pp.

Description: Contains recipes for stage-appropriate foods for babies and toddlers. Informs caregivers about food safety and provides convenient grocery shopping tips. Each recipe lists the nutrition facts and reference icons for vegetarians or individuals with food allergies.

II. Pamphlets/Brochures/Fact Sheets

A. Breastfeeding

Breast Pumps

Food and Drug Administration

Web site: <http://www.fda.gov/cdrh/breastpumps/>

Description: Gives information on how to choose, use and clean a breast pump.

Breastfed Babies are Healthier Babies

American Academy of Pediatrics, New York Chapter

Web site: <http://www.ny2aap.org/Breast.pdf>

Description: Provides information on the benefits of breastfeeding for mother and child and signs of proper feeding.

Breastfeeding Questions Answered: A Guide for Providers

Johns Hopkins Bloomberg School of Public Health

Web site: <http://www.infoforhealth.org/infoforeports/breastfeeding/inforpt5.pdf>

Description: Addresses questions about latching, milk production, and breastfeeding during illness or infection.

Breastfeeding - Multiple Languages

Medline Plus, U.S. National Library of Medicine

Web site: <http://www.nlm.nih.gov/medlineplus/languages/breastfeeding.html>

Description: Discusses common concerns in a question and answer format. Topics include different ways to hold the baby and how to determine if your methods are correct. Also available in Bosnian, Chinese, French, Hindi, Korean, Marshallese, Portuguese, Russian, Somali, and Vietnamese.

Dad's 10 Minute Breastfeeding Guide

Pamela Wiggins, IBCLC

L.A. Publishing

Web site: <http://www.breastfeedingbooks.com/pages/dad.html>

Description: Provides basic breastfeeding guidance for new fathers.

Ordering Information:

LA Publishing, LLC

P.O. Box 773

Franklin, VA 23851

Phone: 800-397-5833

Online ordering: <http://www.breastfeedingbooks.com/images/pdfs/orderform.pdf>

An Easy Guide to Breastfeeding

U.S. Department of Health and Human Services, Office of Women's Health

Web site: <http://www.4woman.gov/pub/bf.cfm>

Description: Presents information to women from different cultures on breastfeeding. Explains the benefits for baby, mother and society, and also provides frequently asked questions. Also available in Spanish and Chinese.

Ordering Information:

Phone: 800-994-9662
