Air Cargo Carrier Snapshots

The U.S. Department of Transportation's Bureau of Transportation Statistics (BTS) has posted snapshots for 24 air cargo carriers on its website. The snapshots provide the most recent domestic data for each of the carriers, including: Summary Data on revenue ton-miles, cargo and markets served, top domestic markets, revenues and costs, top origin and destination city-pairs, and fuel efficiency. Snapshots are available on the website for carriers with more than \$20 million annual revenue, as with the passenger carrier snapshots posted previously. To view a carrier snapshot, go to <http://www.transtats.bts.gov/carriers.asp>. Click on the link for "cargo" for cargo carriers or "passenger" for passenger carriers. BTS' Air Freight Summary web page, with monthly revenue ton-mile data by carrier, can be found here: <http://www.transtats.bts.gov/freight.asp>. Contact: Dave Smallen (202) 366-5568.
