

Mount St. Helens Area Closure Map

Area 1

Crater is closed to all entry except for scientists with a permit. Area includes crater floor, inside walls to the rim, and NE and NW flanks of the volcano.

Area 2

Travel above 4800 foot elevation (treeline) on the volcano is prohibited except for persons with a climbing permit.

Area 3

Open only on developed trails. Camping, pets, stock and snowmobiles are not permitted. Off-trail travel requires an Administrative Closure Permit from Monument Headquarters.
