

US Army Corps
of Engineers
Portland District

Public Notice

Final Mitigation Regulations Released in the Federal Register

Issue Date: April 10, 2008

Interested parties are hereby notified that the U.S. Army Corps of Engineers has issued Regulations governing compensatory mitigation for activities authorized by permits issued by the Department of the Army. These regulations were published in the Federal Register and will go into effect June 9, 2008.

The Regulations can be found on the Corps of Engineers, Headquarters website at the following address:
<http://www.usace.army.mil/cw/cecwo/reg/citizen.htm>

The Portland District will be holding Public Outreach and Education sessions throughout the state to help educate the public about these new Regulations and how they will affect the Corps permitting process. The following is a list of dates, times, and locations of these sessions:
