WITH REFERENCE TO THE U.S. Draft Positions for the Codex Committee on Nutrition and Foods for Special Dietary Uses, 24th Session, As of July 2002, the preparatory document for the Codex meeting in Bonn, Germany on November 4-8, 2002, there is a very troublesome item in the agenda item No. 6, Proposed Draft Guidelines for Vitamin and Mineral Supplements (at step 4).

I want Item 5.9 of agenda item number 6 of the LABELING PROPOSAL deleted.
