FSIS Docket Clerk

RE: Docket No. 03-0251F

Dear Secretary Veneman:

Thank you for banning the slaughter of downed cows for human consumption. We urge you to continue to support the humane euthanasia of "down animals". We also urge you to expand the inclusion of other animals like pigs, sheep and other livestock.

We look to you for helping the animals in this critical area of humane animal control.

Sincerely,

Dr. and Mrs. Don Sloan
