Docket 03-025IF

PLEASE make the ban permanent and include all downed animals

Thank you -USDA- for the emergency measures to ban the slaughter of downed cattle for human consumption.

I want a ban on downed cattle slaughter to remain permanent.

I demand a safe food supply.

Cattle suffering from broken legs, disease and other injuries should not be slaughtered for human food.

There should be no exemption for any downed animal to be slaughtered .

PLEASE make the ban permanent and include all downed animals — sheep, pigs and other livestock, as well as all downed cattle — in the final ban.

PLEASE make it a requirement that all downed animals be humanely euthanized immediately, wherever they become downed.

Sincerely,

Jana Harker
