DEAR SIR:

I want to thank the USDA for the December ban on the slaughter of downed cattle for human consumption.

I ask you to please make the ban permanent and to include all downed animals - sheep, pig, ducks and other livestock, as well as cattle.

Also I urge you to add a requirement that all downed animals be humanely euthanized immediately, whenever they become downed.

Thank you. We must stop the horrible suffering of billions of farm animals.

Very truly yours,
Norma Knettel
