Docket 03-025IF
Room 102, Cotton Annex
300 12th and C Streets, SW
Washington DC 202050-3700

Gentlemen:

Thank you for banning downers in the beef industry, but you should include ALL farm animals. All ill animals can cause serious threats to human health.

Please require humane euthanasia to all non-ambulatory animals as soon as that condition is discovered.

Thank you.

Odette Grosz
