RECEIVED
FSIS DOCKET ROOM

Feb 26, 2004

To The FSIS Docket Clerk,
04 MAR -2 AM 9:59

First of all, I want to thank you for insisting on a temporary ban on behalf of the downed cattle for human consumption. Please make this measure permanent for all downed animals including sheep, pigs and all livestock. These animals may be raised for food, but they all deserve to be treated humanely, nonetheless. Please enforce a painless, eutha nizing method for all downed animals.

Thank for your time and consideration of this extremely important matter.
